

RINGMORE NEIGHBOURHOOD PLAN STEERING GROUP COMMITTEE

MINUTES OF (VIRTUAL) MEETING MAY 20 2.00PM.

David Milne Smith has resigned from the committee. He was thanked for all his hard work.

Review of draft plan:

Foreword: to be kept separate.

Villages & settlements: remove JE reference & amend para. on Challaborough p.11

Vision statement: confirm.

Aims & Objectives: RB to confirm with VS that A & Os should be removed from Ch. 3.

Housing: p. 24: "Settlement boundary" to be changed to "development area".

Consider that north of Bullhorn Cross developers would be restrained far less in their building.

MC to reword policy.

p. 26 – roof height to be amended from 8 metres back to the original 6 metres.

Employment & Business: change objective 1 to text on p. 18.

p.42 – move RNP10 paras 2 & 3 to RPN 19.

Health & Wellbeing: MWP to amend section on playgroups and add reference to current facilities.

Environment: confirmed that tree preservation is in conservation area.

Climate Change: agreed change to Aim.

Agree to keep Appendix 4 in glossary, but remove appendix 5 which will now be part of the consultation statement.

MT will check glossary.

Heritage assets list to be developed with addition of possible relevant dates.

Agreed that the revamped draft should be sent to one person at a time for amendments: repetition to be highlighted on the new version.

MWP (with another) to produce plan of trees with a preservation order.

Discussion of print layout: should this be modelled on Kingston plan, which is easier to read than Bigbury plan?

The meeting closed considerably earlier than 9.00pm....
