Welcome to the Dolphin Inn. We serve a selection of home cooked meals using local produce, have Cask Marque accredited real ales and offer bed and breakfast accommodation in a traditional building opposite the pub.

This is a great village pub with a warm welcome to all.

From the Editor.....

Welcome to the April 2019 issue of the newsletter.

Once again as the month of March comes to an end we have been treated to some delightful spring sunshine for consecutive days which really makes one feel that Winter is well and truly behind us.

Last month we bid farewell to Judy and Adrian who have made a great contribution to the life of the church and the wider community. They will be missed and we wish them well as they begin a new life 'upcountry' in Clevedon.

Sadly last month we said a final farewell to John Born who passed away after an long illness during which time he outlived doctors' prognoses for many years. John, who was married to Jenny in All Hallows almost fifty years ago was buried in the churchyard after the funeral service last week.

This edition of the newsletter is the fourth this year and there are eight more before the year end. To date I have received no contact from anyone in the village interested in taking over the editing of the newsletter so I have to begin to think about possible alternatives to the current format going forward.

One such idea could be a merger with the Bigbury News which I'm sure many of you have seen or even receive monthly. I can imagine a Ringmore section within this newsletter, so maintaining an identity and some specific Ringmore local news.

There are probably other ideas that might work and I would welcome any thoughts you might have about what should be done when there is no-one in the parish who feels able to take this on.

Do let me know so I can start to plan the succession from the start of next year.

If you have any comments or suggestions to make then contact me at

ringmorenews@gmail.com or by telephone to 811212.

The Vicar's letter

A few years ago I was called up for jury service. When the judge made his closing remarks he said that we could only find the person guilty if the evidence that had been presented convinced us beyond reasonable doubt

Many Christians down the ages and across the globe have believed in the actual and physical resurrection of Jesus from the dead because the evidence has convinced them beyond reasonable doubt. For example, the former Chief Justice of England, Lord Darling, said, 'In its favour as living truth there exists such overwhelming evidence, positive and negative, factual and circumstantial, that no intelligent jury in the world could fail to bring in a verdict that the resurrection story is true.'

Richard Swinburn, Emeritus Professor of Philosophy at the University of Oxford, in 2003 wrote a book called the 'Resurrection of God Incarnate.' This book was printed by Oxford University Press and was peer reviewed by his professional colleagues. Swinburn was not afraid to conclude that it is highly probable that Jesus rose from dead. The resurrection of Jesus stands up to rational scrutiny. Yet more importantly it speaks to our deepest longings. An old vicar I knew always used to say at funerals: 'Now, because of the resurrection death is merely a gardener. You don't bury a Christian, only plant them.'

On behalf of all the churches of the Modbury Mission Community I wish you a Happy Easter. Come and join us over the Easter season to find out how the events of Easter turn the grave from a wall into a door.

All Hallows Church, Ringmore

Easter 2019

Easter Sunday this year is on the 21st April and on that day we hold a communion service at All Hallows. The Benefice celebrations for this key time in the Christian calendar begin with *The Easter Cafe Church* on Maundy Thursday (see ad in this issue) to be held in Bigbury Memorial hall. Later that day All Hallows is to hold a Maundy Thursday communion service at 6.30pm at which all are welcome.

There are Good Friday processions in Modbury and Aveton Gifford and Easter day services throughout the Benefice churches.

John Borne

Local resident John Borne passed away on 7th March and his funeral was held in All Hallows on Friday 22nd March. John lived and worked in the area for much of his life and the presence in the church of over 125 mourners is testament to how much he was loved by family and friends alike. John has been laid to rest in the churchyard and lies above his late father 'Boysie'.

Maintenance Issues

Following the Church Wall collapse in February we have now received quotes from building firms and I am currently seeking permission to go ahead with repairs from the church authorities and SHDC. As the Church building is grade II* listed and the churchyard sits in a conservation area, we have to deal with the repair very 'sensitively' (as I have been advised). Clearly it will be some time yet before you see any work being done to repair the wall.

Last month we had a serious failure of the Church heating system which has rendered it unusable. Whilst there are fewer administrative hoops to be jumped through to replace the system we will have to be sure we find a solution that is wholly reliable and heats the

church effectively; something the current system has sadly failed to do.

Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Yvonne Turpin 810798, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405. Rosemary Wilson 810211 & Jenny Williams 810851.

Some people have said they are worried about confidentiality when asking for prayer. I can assure them that one of the main conditions of joining the prayer chain is the promise never to discuss the requests apart from the initial information being passed on. However it is always lovely to know that prayers have been answered (and they usually are, but not always when and how we expect!)

Kingsbridge Foodbank

Your support for the Foodbank has been considerable – well done and hopefully we can continue this good work for the rest of the year. The FOODBANK is here to help people in crisis in and around Kingsbridge. A container is placed in the Church Porch for items to be placed in which will be taken to the Foodbank every Thursday morning. They are currently welcoming donation of many types of non-perishable items (except Baked Beans and Tea), toiletries such as Toothpaste, brushes and toilet rolls and all types of household cleaning materials. There is a more detailed list of items on the collection box in the Church porch. Please note, however, that the foodbank is unable to accept home-produced goods.

Many thanks for your help for our neighbours in need

Dear Editor

Walking along to path to Toby's point on Fri 1st March, the last day of that glorious warm spell, I spotted an adder 'sunning' itself on the wall. Is this the first sighting of 2019?

Sorry there is no photo as it was one of the rare occasions I didn't have my camera with me, but I pointed it out to David (Carson) so he could confirm the sighting if you wished to ask him.

Kathy Pratt

Thanks for your note Kathy. Mike Wynne Powell tells me he spotted an adder on 22nd February! Maybe they came out to see the new footpath!

Dear Editor

To everyone in Ringmore.

Thank you from the bottom of our hearts for the love and generosity you have shown us during the 12 years we have lived here.

During the last few months, the treats and gifts you have showered on us have taken our breath away.

These years have undoubtedly been among the happiest of our lives and we shall treasure the memories for ever. Ringmore is a very special place geographically but only the residents make it the truly remarkable place it is.

We pray God will bless you all now and in the future.

Judy and Adrian Bull

Dear Editor

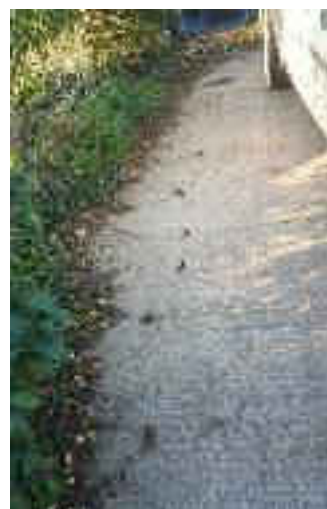

A very big "thank you" to all those who responded - in true Ringmore fashion - to my request for flower pots. Thanks to those kind people, I now have a good stock for the summer.

Jackie Tagent

I have received a note from James Brand.

After the March issue went to press at the end of February he discovered what looks to be a trail of dog mess running very close to his van that appeared some time between the evening of the 26th and morning of the 27th of February. This is very odd. As a dog owner I am aware that dogs tend to crouch quite still when doing their business. So if you are an owner of a dog that likes to poo on the go then I would request that you keep a good supply of bags with you at all times!

As we begin to see visitor numbers increasing for the season now lets not give the impression that we don't care about looking after the area in which we live and please **pick up**.

Jingles in March

"Ding, dong, ding, dong" was the lovely sound that came from Ringmore W.I. Hall on Thursday 14th March, when Jill Jolly and her team of ringers came to demonstrate how to make music using handbells. The ringers each held two bells in each hand, and with a gentle movement of the wrist produced some excellent sounds. Their repertoire was very varied and included "Jerusalem" (of course!). Members and visitors were given the opportunity to have a go, and managed to make a very tuneful sound thanks to Jill's expert guidance. Much fun was had by members and visitors alike.

?? SCANDAL in RINGMORE??

The Courtneys were at it again on the evening of Tuesday 19th. March. They were merciless in their attacks and no quarter was expected nor given in their alcohol fuelled fight for supremacy.

A totally focused Judy, the angelic church warden, now supported Andrew in the conflict. She had just seen Annette knock out Adrian, her husband, while he was with his latest partner, Richard, the “trans-gender” Parish Councillor. We were one lady short this year.

The village paparazzi tried to help Annette, but his brain was too sodden with Merlot to fully control his limbs, and they were finally defeated.

Glasses were raised by the spectators (us losers from the earlier rounds of the contest) to celebrate another win by Andrew and Judy as the climax to another annual mixed pairs competition and social evening with the Ringmore Table Tennis Club.

Next year it's the men to provide the food and ladies the drinks.

Why not join us on Tuesdays from 8 – 10pm for an enjoyable evening. Bats can be provided

PS. As you can see from above, we are up for a laugh to make things happen.

NEIGHBOURHOOD PLAN (NP)

The Steering Group has met twice since the last Parish Council Meeting and is making good progress in writing draft discussion documents for the cardinal items to be included in the final plan. These documents will need to be refined and agreed before being set out in a final format. All policies emerging from this process will be supported by the responses to the Parish Questionnaire and referenced to national and local planning policies.

Bigbury have completed their Neighbourhood Plan up to publication stage. They use a proposal from the National Planning Policy Framework, namely "Heritage Assets", to identify any structure or place which although not Grade II listed in the normal way, still is part of the environment of the village which might be spoilt by indiscriminate development. Such listing does not affect the householders' rights to alter their property but may affect any nearby development by a third party.

Viz:- 192. In determining applications, local planning authorities should take account of:

- a) the desirability of sustaining and enhancing the significance of heritage assets and putting them to viable uses consistent with their conservation;
- b) the positive contribution that conservation of heritage assets can make to sustainable communities including their economic vitality;

There are several Heritage Assets in the parish which are already scheduled as 'Monuments'. The steering group will add to this schedule any building or structure of significance where its history or contribution to the local environment justifies inclusion. Each property owner will be individually consulted concerning its inclusion.

Members of the Steering Group are engaged on a detailed look at CLT and self build options for new development, especially where this may assist younger families to get on the housing ladder in Ringmore. However there

are quite severe constraints that will need to be overcome if this is to be successful. The steering group is to organise a meeting in the WI Hall probably in May to discuss this with interested residents and also to give an opportunity to those people who responded to the parish questionnaire suggesting new activities for the population.

42/19 DEFIBRILLATORS

Bigbury PC had ordered the two defibrillators on behalf of Ringmore.

43/19 ENVIRONMENTAL MATTERS

A date needed to be set for the October skip. It was noted that skip hire was the PC's biggest single expense and in order to keep the precept at an acceptable level there would be no skip at Easter.

44/19 PARISH PATHS PARTNERSHIP

JR was working on the PPP grant application for 2019-20.

45/19 RECRUITMENT OF CLERK

The vacancy for a clerk needed to be advertised in the Kingsbridge Gazette. The clerk would provide suitable wording and a job description.
