

Ringmore Parish Newsletter

August 2018

Edited by David

Deadline for September, 25th Aug

You may have seen a small flotilla of kayaks land on Ayrmer Cove one day in July. This comprised members of the Marine Conservation Society (see above) who then spent some time on a beach clean at the cove before heading off in their kayaks again. It is great that so many folk are prepared to help maintain 'our' beach to such a high standard for parishioners and visitors alike.

Welcome to the Dolphin Inn. We serve a selection of home cooked meals using local produce and offer bed and breakfast accommodation in a traditional building opposite the pub.

This is a great village pub with a warm welcome to all.

From the Editor.....

Welcome to the August issue of the newsletter. Our weather continues to confound as we have had another driest month in the parish compared to recent records. As I write this (27th July) there is rain in the forecast but it is impossible to know how much we'll get in Ringmore before the month end. However hot we've felt, I'm sure most are grateful that Ringmore is not in the running for the all time high temperatures that have been predicted to reach the mid to high thirties centigrade in the east of the country.

The effective drought has now lasted over two months and it is obvious from the look of the countryside around. Given the terrible fires we have seen on the news in Lancashire and Greece, I think we have to be especially careful with matches, barbecues and bonfires at present. Indeed, it is probably best to wait until more normal weather returns before getting bonfires going in the parish as these could easily cause problems to neighbours and properties (think thatch!) Should they spread unheeded.

So, the beach weather continues, and it's great to know that Ayrmer has had a makeover in time for the

holidays. Thanks to the Marine Conservation Society for their clean-up in July.

We also have reason to be grateful to those folk involved in getting the Night Landing Site planned, approved and paid for. Work is likely to be completed in the next month and it will bring comfort to many that this facility will be available if any of us are unwell enough to need it some time in the years ahead.

You'll see from the diary entries that there are few village events this month, as is traditional for the time of year. I'm pleased to learn, however, that there will be a charity tea on August Bank Holiday Monday in the WI Hall (see advertisement in this newsletter) which for this year only will replace the garden party.

Rosemary Wilson has written suggesting a beach picnic/barbecue on Saturday 25th August in recognition of the number of people celebrating big birthday's and/or anniversaries this year. I hope we will see you there!

If you have any comments or suggestions to make these will be gratefully received at

WHAT SHALL WE PACK?

Are you one of those who have everything laid out a week before your holiday, ready to be packed? Or do you have a mass panic late at night before you leave? And always with that nagging thought in the back of your mind: what have I forgotten?

Alongside clothes, toiletries and other essentials, there is that pile of vital documents which accompanies us. Not just the tickets, but the passports (what about that visa?), booking forms, insurance documents – and so the list goes on. Let's just hope that the queues at the check-in desk are not too long.

Guide books and maps are also on the list. But how many will pack a Bible, God's guide book for life? Will our "religious experience" on holiday be limited to admiring the architecture of an ancient church building? We know where we're going on holiday, but do we know for certain where we're going in life?

The Bible is God's handbook, telling us what he is like and what life is all about. But, like any other guide, it needs to be consulted and followed. It's no use having a fantastic guide book if it's left on the bookshelf! But sadly, that's what so often happens with the Bible. If we want to be a good Christian, a good follower of Jesus Christ, we need to read regularly about him. You can, of course, dip into the Bible at random, and there are nuggets to be found throughout its 66 books. Perhaps better is to use Bible aids, such as those produced by the Scripture Union or Bible Reading Fellowship.

Holidays give us a good opportunity to take stock, and think about the things that get pushed aside in our busy lives. Is God a remote deity or heavenly Father? Is Jesus someone cruelly executed on a cross, or God's Son, whose loving sacrifice can wipe out every wrong we've ever done?

So slip a Bible (or its online equivalent) into the suitcase, and learn about the Maker of the wonderful world we enjoy when on holiday. And of our part in that world.

All Hallows Church, Ringmore

Church Clock

Some of you may have noticed that the clock on the church tower has been running a few minutes late on occasion and I have now re-set it twice during July. The clock is managed by a master clock inside the tower which is radio-controlled. This master clock remains accurate at all times as can be heard at the striking of the hour. However, there seems to be an issue with the management of the Tower clock and if it continues to run erratically I expect we will have to shut it down whilst the manufacturer takes a look. I will post a notice on the PC website if that happens.

Fiona Stewart-Wilson playing the Church Organ

Whilst we are lucky to have the Hymnal music player in church to accompany us in hymn singing it has been lovely to welcome Fiona back to All Hallows to play the organ. She joined us for a couple of services last month and played every hymn faultlessly.

New Hymnal

We have had a new hymnal music player on order for some time now as the manufacturers have struggled with some software issues and postponed the release date. However, I believe these have now been resolved and we can expect the new machine to be with us during August. Doubtless Mike Wynne-Powell will have it up and running very soon after delivery.

Visitors very Welcome!

Over the past few Sundays we have welcomed a number of visitors to our services. It is a great pleasure to welcome you to our church on Sundays,

especially if you are holidaying or visiting relatives within the area.

Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Alice Thornton 810284, Judy Bull 810420, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405. Rosemary Wilson 810211 & Jenny Williams 810851.

Some people have said they are worried about confidentiality when asking for prayer. I can assure them that one of the main conditions of joining the prayer chain is the promise never to discuss the requests apart from the initial information being passed on. However it is always lovely to know that prayers have been answered (and they usually are, but not always when and how we expect!)

Kingsbridge Foodbank

Your support for the Foodbank has been considerable – well done and hopefully we can continue this good work for the rest of the year. The FOODBANK is here to help people in crisis in and around Kingsbridge. A container is placed in the Church Porch for items to be placed in which will be taken to the Foodbank every Thursday morning. They are currently welcoming donation of all types of non-perishable items (except Baked Beans and Tea), toiletries such as Toothpaste, brushes and toilet rolls and all types of household cleaning materials. Many thanks for your help for our neighbours in need.

Judy Bull and David Vincent

I have received a suggestion from Rosemary Wilson that all those interested might like to attend a beach picnic/barbeque at Ayrmer Cove on Saturday evening August 25th. She tells me that there are a number of folk in the village who have/will be celebrating special Birthdays and celebrations. She thinks the evening of Saturday August 25 might be good, with perhaps the following Saturday if the rains should come! Do contact me if you are planning to go and I will let Rosemary know.

July meeting

Our July meeting was a meeting with a difference. Committee member Rosemary Piercy organised a “summer meal” at The Dolphin Inn in Kingston for members and their husbands/partners. Craig Worthington and his excellent staff made us very welcome, having laid out half of the dining area for us in such a way that people could chat to each other. Rosemary had circulated menus to everyone in advance, which not only meant that members had plenty of time to choose what they wanted, but also helped Craig with the catering. It was a very relaxing and enjoyable evening, and our thanks go to Rosemary for sorting everything out and to the staff at The Dolphin Inn for such a successful evening.

Our next meeting is on Thursday 13th September in Ringmore W.I. Hall when, at 8.00 pm, we welcome Roy Beaumont to tell us about the Plymouth Street Pastors and the work they do. Visitors are very welcome.

Ringmore Neighbourhood Plan

The Steering Group following the provision of a Government grant has been able to commission an analysis and report following the Community Consultation Questionnaire and we will publish the findings as soon as we can.

The winning ticket Number 37 for the Questionnaire Raffle Prize of £50 remains unclaimed. We have drawn a reserve number which is Ticket Number 61.

This reserve number will be the winning ticket in the event of no other claimant.

The prize must be claimed on or before the 31st August 2018 at which time the raffle will be closed.

If you have either of these ticket numbers please call Richard Baker 01548 811115.

National Trust

With all the warm dry weather we have had it has been great to get out and enjoy the coast and beaches. Unfortunately with this we have seen some antisocial behaviour occurring on our sites with unauthorised camping, fires using wood broken away from fences or nearby trees and on a recent occasion where lots of beer bottles smashed up on Wembury beach. If you do see anyone having a fire on NT land please do let us know as a fire can quickly get out of hand and spread in these very dry conditions.

We are still in need of volunteers to help out at the South West Outdoor Festival on the 5-7 October. By volunteering for 2 shifts (each shift is 4 hours) over the festival period you would qualify for a free ticket, for more information look on the website: www.nationaltrust.org.uk/SWOF and follow @NTSWOF on Facebook and Twitter for updates too.

Check out our other events coming soon (for further information go to www.nationaltrust.org.uk/events):

Throughout the summer holiday we will have pop up events happening at Wembury beach and South Milton Sands when the weather is nice and we have volunteers available to help us. These pop ups will be for a few hours and have 50 things activities to undertake. We will post these on Facebook the day before so please do follow us to keep updated.

15th September, 4pm – 9.30pm – Big Night on the beach – South Milton Sands. This family favorite is back again, celebrating the end of summer with family activities and the spectacular sundown parade. You'll also have the chance to try out watersports, rockpooling, crafts, and beach games, with storytelling, bird watching and more too. In partnership with the South Devon Area of Outstanding Natural Beauty, this event is not to be missed. Wear clothing that is suitable for the weather, taking into consideration that the beach may get cooler after dark. The event is free to attend, but small charges apply for some of the taster sessions

16th September, 2.30pm – 4.30pm – MSC beach clean – Wembury beach. Come and help the National Trust Rangers and Devon Wildlife Trust Marine centre Wardens clean Wembury beach as part of the Marine Conservation Society Great British beach clean. Be part of this national event and do your bit for protecting the beautiful beaches and marine life. Please bring a pair of gardening gloves, shoes suitable for getting wet and clothing appropriate for the weather. The event is free but please register on the Marine conservation society beach clean website (<https://www.mcsuk.org/beachwatch>) so we know how many will be turning up.

For information regarding the work of the South Devon National Trust team please call Lorna Sherriff on 01548 562344 or email lorna.sherriff@nationaltrust.org.uk

Letters to the Editor - write to ringmorenews@gmail.com .

Dear Editor

On Friday 21st September between 1000 and 1200, your Parish Room Committee will be carrying out small cleaning and maintenance tasks in and around the Parish Room. If anyone is able to join us we would be most grateful - light refreshments will be provided. Thanks in anticipation.

The Parish Room Committee

Dear Editor

Fiona Stuart-Wilson has just released a new CD on the Nixe label with the Spanish early music group, The Archduke's Consort. 'Scherzi Amorosi' is an attractive collection of Italian songs and instrumental pieces from the era of the Borgias to the time of Galileo. The CD is available at £15 (no postage and packing if you are in Ringmore!). If you would like to buy a copy, please email Fiona at fiona@thearchdukesconsort.com or drop a note through her door!

Ringmore Night Landing Site

I expect Madeleine Capps will not appreciate this entry! However, as work has now begun to create the Night Landing site for the Devon Air Ambulance we should acknowledge and thank her and the Capps family for allowing this to take place on their land to the east of Ringmore village.

None of us knows what might befall us in the years ahead, but it is comforting to be aware that if hospital services are urgently required then parishioners can be quickly served by the air ambulance.

Thanks too must go to Steve Comley for his planning and liaison work on behalf of the Parish Council to get this project to fly (sorry!) and for his excellent fundraising efforts.

Finally, thank you, for joining in the fundraising efforts and contributing your time and money to enable this project to go ahead. David

Night landing site update

I am pleased to advise that at the time of producing this the electric cabling has been rolled out from the Voltage regulator and the trench back filled.

Western Power have attended and made a live connection to the meter box and EDF energy have now made the connection for the energy supply making us live ready to go.

Slight delay in that the production of the steel lighting pole has been delayed but by the time you read this hopefully they will have arrived and will have been set in position and connected.

We should be done!

The grant money promised by Devon Air Ambulance Trust totalling £4,938.56p has been received by the Parish Council.

Hopefully we can shortly look at our next targeted project - the replacement, upgrade and support of the defibrillators.

Cliff walking advice.

The cliffs tops on the Devon coast are mainly on the South West Coast Path.

The organisations responsible for managing the Coast Path have developed these guidelines to help you have a safe walk. Please read and always follow them.

Let someone know where you are going and what time you are likely to be back - mobile phone reception is patchy on the coast

Informal paths leading to beaches can be dangerous and are best avoided

If you are crossing a beach, make sure you know the tide times so you won't be cut off. Go to: [BBC Tide Tables](#)

Keep to the path and stay away from cliff edges - please follow advisory signs and waymarks.

Whilst it is tempting to go close to cliff edges to peer over you should stay back from them:

as a slip or trip could be fatal

some cliffs overhang or are unstable and this is not always obvious

Take special care of children and dogs and look after them at all times.

Keep your dog under close control – chasing a seagull over the edge of a cliff could have disastrous consequences

Children may not see potential dangers – such as cliff edges - especially if they are excited

Dress sensibly for the terrain and weather. To enjoy your walk, stay within your fitness level – some sections of the Coast Path can be strenuous and/or remote.

Find out about the section you plan to walk

Turn back if the walk is too strenuous for anyone in your group

Remember that in remote areas or at quiet times you may not see another person for some time if you are in difficulties

Take a phone with you

In an emergency dial 999 or 112 and ask for the coastguard.

To help the emergency services locate you quickly they need to know where you are, so:

Learn to read a map to be able to accurately report your position – visit [Ordnance survey .co.uk](#) or download the OS Locate app for smartphones.

Look out for the small signs with the location and grid reference that are on many fingerposts and signs along the path.

For more information go to [South west coast path .org.uk](#)

The Ringmore Bottle Bank

I am re-running this note about the bottle bank and can advise that the Parish Council discussed this at the meeting in July. I know understand that if bottles are left on top or next to the bottle bank then technically a fly-tipping offence has been committed.

The PC is anxious to avoid that possibility so is considering how we can best notify users of the rules of use.

Many parishioners are familiar with the bottle bank located in the car park of the Journey's End. We should all be grateful to Tracy Heneghan for giving the council permission to site this container on their land as it is a perfect location for us all to recycle glass.

Interestingly the Ringmore container fills up at a higher rate than other equivalent containers in the area. I wonder why? However, once full, some people have been leaving bags of glass bottles either on top or beside the container in the probable expectation that these will be collected by the driver when he comes to replace the full container with an empty one. Regrettably this does not happen and there is no obligation on behalf of the council to collect the excess. Recently some bags of glass which were on top of the container fell on to the ground and there was a lot of broken glass which a local resident was good enough to remove.

If the container is full, firstly try the portholes at the rear; if full also, take the glass home and await the arrival of a new container. There is a telephone number that can be called (01803 861234) if the container is full and this might then speed up the replacement.

Draft Minutes

100/18 DECLARATIONS OF INTEREST
None

101/18 MINUTES OF THE PREVIOUS MEETING
IT WAS RESOLVED THAT the minutes of the meeting held on 12 June 2018 be accepted as a correct record
Resolution **carried unanimously**. The minutes were signed by the Chairman.

102/18 MATTERS ARISING

102.1 Shed on NT land: JD to cost three alternatives the chosen shed would then need to be submitted to the NT for final approval. JD

102.2 Bowling Green Registration: AK provided details of those who might have knowledge of the gift of the land to the PC. The Clerk would make contact with the objective of obtaining written evidence to enable the land to be registered in the name of the PC.

102.3 New Resident Welcome Pack: RB had passed comments from councillors to the Ringmore Residents' Association.

103/18 NIGHT LANDING SITE

It was noted that planning permission had been granted and thus work had been let for:

- Connection to an electricity supply
- Electricity supply
- Electrical installation
- Fencing the landing area against livestock
- Water supply for displaced livestock

Devon Air Ambulance Trust had offered a grant of £4,938.56 towards the total cost of the project and the clerk was authorised to sign the grant offer acceptance on behalf of the PC. It was clear that Steve Comley's fund-raising activity had been so successful that there would be an excess of receipts over expenditure – see below.

Receipts	£	Expenditure – net of VAT	£
Donations from parish	4,953	Western Power	763
DCC grant	2,000	L Godfrey Ltd – lay water supply	200
SHDC grant	1,700	MAT Electrics	7,205
DAAT grant	4,939	D E Hext and Son – fencing	950
		Miscellaneous	279
		TOTAL – expenditure foreseen	9,397
		Excess of receipts over expenditure	4,195
TOTAL	13,592		13,592

As agreed previously under minute 87/18 any balance remaining after completion of the project be put towards replacing or maintaining the defibrillators in the parish to ensure that they could be adopted by South West Ambulance.

104/18 PLANNING

104.1 Permission in Principle

More information awaited from BH

104.2 1552/18/HHO 2 Coastguard Cottages, Sunnybank, Challaborough TQ7 4HT

Conversion of existing outhouse into ancillary living space. **APPROVED**

105/18 FINANCE

Bank balances as at 30 June 2018 £25,629.61

Payments to be paid electronically:-

Peter Javes	Administration	105.45
Western Power	Supply to night landing site	763.00
D E Hext & Son	Fencing materials on account	750.00
Ringmore WI	Hire of hall for Neighbourhood Plan	8.00
HMRC	Administration – clerk’s income tax	61.80
TOTAL		<u>213.19</u>

The following sums are held on behalf of :-

Neighbourhood Plan: £4,425	Night landing site: £3,846,
PPP £10,800	Ringmore defibrillator fund £580

VAT of £480 had been claimed from HMRC but not yet paid.

106/18 NEIGHBOURHOOD PLAN (NP)

RB reported that a grant of £4,425 had been paid to fund operations until 31 March 2019. Any unspent monies will need to be returned after that date. This funding has enabled the Group to commission DCT of Exeter to digitise the responses to the questionnaire and to write an independent report on its findings. These documents along with other evidence will determine the principles of the Neighbourhood Plan. Any policy included in the final plan must show a clear link to independent evidence collected in the formulation of the plan. The winner of the questionnaire raffle had not yet claimed the £50 prize. The number will be re-advertised together with the reserve number. If there is no claimant by 31 August the prize will not be awarded.

107/18 DISTRICT COUNCILLOR (by e-mail)

The Communities Together Fund (formerly Town and Parish/TAP Fund) is managed in South Hams by South Hams District Council. It is allocated according to the number of electors on the electoral roll, with the District Council contributing ten pence per elector to the fund, and Devon County Council contributing one pound per elector.

108/18 COUNTY COUNCILLOR

The issue of reported near misses with speeding traffic through the village would be reported to DCC Highways for advice.

109/18 PARISH PATHS PARTNERSHIP

The timetable for the Smugglers Path work will be prepared for a post summer scheduling.

110/18 ENVIRONMENTAL MATTERS

JD reported that work was ongoing. The clerk would establish if the current grass strimmer (John Reid) wished to continue work in Ringmore.

Clerk’s note: John Reid would not be upset if the work was awarded to another person, although he intended to continue strimming the churchyard.

111/18 FETE OR GARDEN PARTY

JW reported that it had been decided not to hold an event in 2018 but there would be a fete or garden party on the August bank holiday in 2019. There need to be a discussion about purchasing new equipment to refresh the event.

It was decided to take no further action on the reported fault with the marquee purchased in 2017.

112/18 APPLE PROCESSING KIT

Apple processing kit for crushing and juicing apples (and other fruit) is now held by the Parish Council. There is a manually operated kit for small batch production, which can be used in any location. For larger batch production, there is an electric mill for apple crushing and a hydro-press for juicing. Clearly these need to be used where there is both electricity and a water supply.

Please contact John Reynolds if you would like to borrow the equipment.

113/18 JOURNEY'S END BOTTLE BANK

Abuse of the bottle bank in the Journey's End car park was discussed. A note would be included in the next Newsletter advising that the facility would be withdrawn if people continued to leave materials outside the bank. It was proposed that anti fly-tipping posters be displayed at the site.

114/18 MEETINGS ATTENDED

JW would attend a trimmer course later in the year.

115/18 ITEMS FOR THE SEPTEMBER MEETING

- Complaints policy
- Autumn skip
