From the Editor.....

Welcome to the February 2019 issue of the newsletter.

As I write, rain is lashing the window of my work area and has been doing so for much of the day. Despite this gloominess January has been quite a benign month weather wise. A number of villagers have reported plants coming into flower last month (we had a couple of freesias that did nothing in the summer come into bloom at the end of December) and I am certain I heard the first mower of the New Year in action.

So will we get away with a mild winter, or are we going to see another 'Beast from the East'? Who knows?

This month's cover photo was taken on December 27th by Mike Wynne Powell. It could, of course have been any time of year, but the significance of the image is that it was taken at Ayrmer Cove. Not a regular surfing spot by any means. I gather the orientation of the surf meant that Ayrmer was the best beach from which to take advantage.

Last month I announced that I would remain as editor of the Ringmore Newsletter until December this year. If anyone is interested in taking on this role then I would be very happy to mentor them and provide support during this year. Ideally there is someone

within the Parish who with a bit of help would like to try their hand at putting the newsletter together. Do contact me if you are interested and would like to have a go. It would be a shame if the newsletter was to close.

This is the time of year when a number of organisations run quiz nights. These take place around the local area and I note that Macmillan Cancer Support are to host an event at the Bigbury Memorial hall on 22nd February. A worthy cause and an enjoyable evening, no doubt. A week earlier and I will be Quizzmaster at the golf club for their February event. I must admit that it is very enjoyable yet challenging to select a variety of questions that will be of interest and not too easy/difficult for the audience. At the very least, I plan to make it an entertaining event and would love to see you there.

And advance warning for the All Hallows Shrove Tuesday coffee and pancakes morning to be held in the Parish room on Tuesday 5th March. There is an ad for this in this newsletter.

If you have any comments or suggestions to make then contact me at

SOWING SEEDS

February can be a time of looking ahead beyond the dark cold days of winter to the spring and summer, maybe planning or booking holidays or dreaming of those already booked. For gardeners it can be a time of planning and preparing for the plants and crops which are going to make their gardens burst into flower or produce the vegetables for their tables. It's a time for purchasing and maybe starting to plant the seeds that will enable these dreams and plans to come into being, as gradually over the months these lifeless dried up grains, watered by the rain and warmed by the sunshine, burst into life and grow into fine plants. Often all this happens without any further input from the person who planted them.

The Bible contains a number of Jesus parables in which he drew parallels between the growth process of seeds and plants and the development of faith. In one of these he tells us that the Word of God, like the seed, grows in God's good time, and this reminds us that we often never know what an effect the evidence of our faith in our lives is having on the people with whom we come into contact. Nor do we know what effect the experience of bringing a child to church for baptism will have on the child's parents, godparents or family members. It may well be that on that day a seed of faith is sown in someone's heart, which in God's good time will start to grow, and as Jesus reminds us, in another seed related parable, just as a minute seed can grow into a big bush, so that tiny seed of faith could grow into something big.

When we think about it, aren't we as individuals very similar to seeds and plants? Just as the growth of a seed is influenced by the things around it, so our development as individuals is influenced by the conditions and the people around us - starting from our childhood and continuing throughout the whole of our lives. So how important it is that we affirm, encourage and support one another! When we think that someone has done something well, why not tell them? When we know that someone is going through a rough time, why not offer help or support instead of assuming that their family is already supplying all their needs? Often it is the knowledge that people care that can make all the difference to the life of a lonely person, and can sow the seed of hope for the future in their hearts.

Modbury Mission Community Planning

When Matt Rowland, our vicar joined to lead the community churches a year ago, he promised he would spend the first nine months or so getting to know the people and churches within the Modbury Benefice before launching the process to review the mission community action plan. To that end members of the Church PCC attended a discussion meeting with PCC's from all five churches. The Ringmore PCC is currently working on our forward plan to develop the life and role of the church in the community. I will report further on this development in future issues of the newsletter.

Village Service 20th January

We were joined by Rebecca from the Kingsbridge *Dementia Friends* charity at our village service in January. Dementia Friends is a social action initiative that aims to raise awareness of dementia and Rebecca gave an excellent talk on how we can understand the different types of dementia and how they affect the memory process in people who live with it. All Hallows is planning to become a Dementia Friendly Church this year.

Sound and Vision 5

A good many villagers joined Mike Wynne Powell for an enjoyable evening of Audio Visual treats. Mike has been beavering away over the past year taking photographs and drone videos and from these creating some very interesting and enjoyable theme based presentations - all presented with music. An enjoyable evening for all and we are grateful to Mike for his donation of the proceeds to church funds.

Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Alice Thornton 810284, Judy Bull 810420, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405. Rosemary Wilson 810211 & Jenny Williams 810851.

Some people have said they are worried about confidentiality when asking for prayer. I can assure them that one of the main conditions of joining the prayer chain is the promise never to discuss the requests apart from the initial information being passed on. However it is always lovely to know that prayers have been answered (and they usually are, but not always when and how we expect!)

Kingsbridge Foodbank

Your support for the Foodbank has been considerable – well done and hopefully we can continue this good work for the rest of the year. The **FOODBANK** is here to help people in crisis in and around Kingsbridge. A container is placed in the Church Porch for items to be placed in which will be taken to the Foodbank every Thursday morning. They are currently welcoming donation of many types of non-perishable items (except Baked Beans and Tea), toiletries such as Toothpaste, brushes and toilet rolls and all types of household cleaning materials. There is a more detailed list of items on the collection box in the Church porch. Please note, however, that the foodbank is unable to accept home-produced goods.

Many thanks for your help for our neighbours in need.

On January 15, 2009 the world witnessed the "Miracle on the Hudson" when Captain "Sully" Sullenberger (Tom Hanks) and his co-pilot (Aaron Eckhart) glided their disabled plane onto the icy waters of the Hudson River, saving the lives of all 155 aboard. However, even as Sully was being heralded by the public and the media for his unprecedented feat of aviation skill, an investigation was unfolding that threatened to destroy his reputation and his career.

Antiques Road Show

The new year started with our very own "Antiques Road Show" led by valuer Eric Distin. Members and visitors brought along a wide variety of items of interest; these included china bowls, a travelling writing desk, pictures, a silver tea set and much more. He showed himself to be extremely knowledgeable, and was able to enlighten members and visitors about the age of their antiques and what they might be worth. This startled one or two people, who will now be contacting their insurers to make certain that their precious belongings are fully insured!

Eric asked people what they knew about the history of their items, and how they came into their possession. He recommended researching on the internet and talked about trends in values over the years; for example, furniture doesn't have the same value now as in the past. Pressed for his opinion on desirable collectables, he surprised people by suggesting children's toys.

The meeting was well attended by visitors (men and women) as well as by members. Everyone thoroughly enjoyed the evening, and there are requests that it should feature in the programme for another year.

05/19 PRECEPT 2019-20

The meeting discussed the draft precept proposal prepared by the Clerk. It was noted that there were increasing demands on parish councils to take over work previously carried out by South Hams District Council and Devon County Council. Also, Ringmore Parish Council had run a deficit for several years and the deficit caused by excess of expenditure over income had been met from reserves. It was agreed to try and maintain a reserve equivalent to one year's expenditure, being about £6,000. It was recognized that there was pressure from parishioners for Council Tax not to be increased significantly. With this in mind the meeting looked at all items of projected expenditure and noted that the single biggest outlay each year was the cost of the refuse skip.

Following a lengthy discussion it was agreed to set the precept request at the current year's level of £5,250 plus inflation of 3%. This would result in a year on year increase in Council Tax for Band D homes to £43.73 (2018-19 £42.70) being an increase of 2.41%.

IT WAS RESOLVED THAT the precept demand for 2019-20 be set at £5,400 and the Clerk be instructed to complete the necessary form and file it with SHDC.

Resolution **carried unanimously**.
