From the Editor.....

Welcome to the July 2019 issue of the newsletter.

And at last, signs of true summer with temperatures climbing by day and remaining warm at night. It does seem to have been a long time coming.

I'm sure that like me, you have become fed up looking at the blue tarpaulin covering the collapsed area of the graveyard wall. I am pleased to report that work should begin on the wall in July and be completed within two weeks. As churchwarden for All Hallows it has been my responsibility to oversee the plans for the repair and the whole project has taken so much longer than expected as we had to satisfy the requirements of the Diocese and the District Council. The green light to go ahead came in early June and with luck all will be complete before the wedding of Oliver and Danielle at the end of the month.

As to the future of the newsletter, with no one in the Parish willing to take this on, I have decided to start a discussion with Louise Wainwright who publishes the Bigbury Newsletter. It may be that she might be able to incorporate news from Ringmore in their publication. I think they print over 400 copies for Bigbury Parish and with a team of contributors it is often 32 pages or

more. I will advise on progress in this respect in future issues.

Hasn't it been great to see how Holywell Stores has been transformed over the last few weeks. The investment made by the Kooners is indicative of their confidence in and commitment to the residents and visitors to this lovely part of Devon and we wish them every success in the future.

It has also been great to hear that Tracy and Conor now own the Journeys End Inn - a sure sign of their commitment to the village for the future. I'm sure they too will continue to have every success in the years ahead.

I have heard from John Reynolds that the Parish Council has organised a skip for all for the disposal of unwanted household, electrical items and garden waste (but no hardcore). This will be placed near the Ringmore bust stop on Saturday 12th October; so an advance date for your diary. I will place reminders in future issues of the newsletter.

If you have any comments or suggestions to make then contact me at ringmorenews@gmail.com or by telephone to 811212.

DON'T BE AN ASS!

I'm not sure about you, but sometimes I feel buried alive under the pressures of work and life in general. Let's take encouragement from an old fable.

"One day a farmer's donkey fell into an abandoned well. The animal cried piteously for hours as the farmer tried to figure out what to do. Finally, he decided that since the animal was old and the well needed to be covered up anyway, it just wasn't worth it to try to retrieve the donkey.

He invited all his neighbours to come over and help him. They each grabbed a shovel and began to shovel earth into the well. Realising what was happening, the donkey at first cried and wailed horribly. Then, a few shovelfuls later, he quieted down completely.

The farmer peered down into the well, and was astounded by what he saw. With every shovelful of dirt that hit his back, the donkey was doing something amazing. He would shake it off and take a step up on the new layer of dirt. As the farmer's neighbours continued to shovel dirt on top of the animal, he would shake it off and take a step up. Pretty soon, the donkey stepped up over the edge of the well and trotted off, to the shock and astonishment of all the neighbours."

The donkey had an answer to the pressures and burdens that threatened to bury him, and so did King David, when he penned the Psalms:

"I waited patiently for the Lord; he turned to me and heard my cry. He lifted me out of the slimy pit, out of the mud and mire; he set my feet on a rock and gave me a firm place to stand."

God uses adversity as a stepping stone. The way to get out of the deepest well is to never give up, wait on the Lord, and in His strength shake it off and step on it.

Church repair and maintenance

As I write this, our expectations are that the stonemason will start work repairing the wall in July. The work is expected to last for around a week. The submission and request to proceed with the replacement heating system has been sent to the Diocese and I am awaiting their response (with fingers crossed!) I'm sorry this has taken a long time since the wall collapse but relieved that progress will soon be visible to all.

Services in June

Services last month continued to focus around providing a greater understanding of the Lord's Prayer and proved to be most interesting and challenging to us. Towards the month end Matt brought along a trainee vicar who gave a sermon around the story of Jonah which many of you will have come across at some point in your life. He was most engaging, and, as Matt pointed out, even younger than he was! On the last Sunday of June the church hosted the team service for all five churches in our benefice. We are grateful to Jackie for allowing us to use the WI Hall for refreshments after the service.

Summer Fete

The All Hallows summer fair is set to take place on August Bank Holiday Monday this year (26th) and we are grateful to Ian Morgans for allowing us to hold this in his field by the road at the top of the village. Our plans for the event are now taking shape and we now look to friends in the Parish to donate items for the various stalls and maybe bake a cake for the ever popular cake stall. With the church facing significant bills this year we need to raise as much

Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Yvonne Turpin 810798, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405. Rosemary Wilson 810211 & Jenny Williams 810851.

Some people have said they are worried about confidentiality when asking for prayer. I can assure them that one of the main conditions of joining the prayer chain is the promise never to discuss the requests apart from the initial information being passed on. However it is always lovely to know that prayers have been answered (and they usually are, but not always when and how we expect!)

Kingsbridge Foodbank

Your support for the Foodbank has been considerable – well done and hopefully we can continue this good work for the rest of the year. The FOODBANK is here to help people in crisis in and around Kingsbridge. A container is placed in the Church Porch for items to be placed in which will be taken to the Foodbank every Thursday morning. They are currently welcoming donation of many types of non-perishable items (except Baked Beans and Tea), toiletries such as Toothpaste, brushes and toilet rolls and all types of household cleaning materials. There is a more detailed list of items on the collection box in the Church porch. Please note, however, that the foodbank is unable to accept home-produced goods.

Many thanks for your help for our neighbours in need

Oli & Danni's Wedding

Danielle Hutchings & Oliver Woodings request the pleasure of your company for the evening celebrations of their wedding on the 27th July 2019 at Mandava Field, Ringmore from 7pm.

Live music is being provided by the fabulous Intuxicated. The Journey's End will be running a closed bar (taking card and cash) and freshly baked wood fired pizzas will be served by the South Devon Pizza Company (provided by us).

Please come and join us to celebrate our special day!

RSVP to Judith on 01548810629

Please note: we will be letting off some fireworks at some point during the evening

All Hallows Summer Fair

August Bank Holiday Monday 26th

We are currently planning for the Summer Fair 2019 which will be held on land at the top of the village by kind permission of Ian Morgans.

So far we expect to have a variety of stalls and games including *Crockery Smashing*, *Tug of War*, *Egg Throwing*, *Duck Racing*, *the Ladder game* and *Putting*. Stalls will include *Jewellery*, *Plants*,

Tombola, *Burgers*, *Sausages*, *Ice Cream*, *wine and beer*. And we can't have a fayre in Ringmore without the *tea tent* and *cake stall*. We are still seeking offers of help with the event either before and/or on the day. Anything you can do will be much appreciated.

You will be aware that All Hallows church is in need of much TLC and we are hoping to replace the collapsed section of the graveyard wall and the recently condemned heating system along with other important maintenance works over the coming months.

So the majority of the profit from the fair will be put towards this work.

Please contact me (811212) or Jenny Williams (810851) if you are able to help in any way.

Thank you! David and Jenny, All Hallows Church Wardens.

June meeting report

At our June meeting we welcomed Dr Pete Moore who has been a "Police Surgeon" in Devon and Cornwall for thirty years, and is the Independent Clinical Consultant to Devon and Cornwall police. Dr Moore pointed out that, despite their name, Police Surgeons are completely independent of the police, and do not carry out surgery! Police Surgeons were introduced in the early nineteenth century, though Dr Moore pointed out that the first recorded examination revealed that only one of Julius Caesar's 23 stab wounds was lethal.

There are many different aspects to the job, dealing with both men and women. A lot of their time is spent in assessing mentally ill people, injured prisoners and substance abusers. Frequently, their work has a potentially forensic element, so they have to be properly trained. Increasingly, police surgeons are called in to assist in cases of rape or domestic violence. Examining claims of serious sexual assaults by both adults and children is also an essential part of their role.

There was a good attendance, and James Stevenson gave an excellent vote of thanks on behalf of both visitors and W.I. members.

As the weather warms up and we all spend more time outside I thought I would note down a few reminders about how to keep ourselves, our pets and the livestock safe.

Adders are Britain's only venomous snake. Varying in size from around 40 to 70 cm long, they can be distinguished from other, non-poisonous snakes, like the grass snake and slow worm, by the zigzag pattern on their back. They hibernate during the winter and reappear in spring as their environment warms up. They are commonly found basking in the sun on our coastpaths, heathland areas and in the sand dunes.

Adders are not aggressive, but will attack if caught unawares, or feeling threatened so if you see one give it space, and put your dog on a lead. If bitten it is appropriate to seek medical attention immediately their bites are not deadly, but will be very painful to both dogs and humans, It is advised where possible that dogs are carried to reduce the risk of venom entering the lymphatic or circulatory system. With medical treatment both Dogs and Humans should make a full recovery.

Please can we ask all dog owners to always, always put your dog on a lead around livestock, family pets like mine and yours are responsible for killing and maiming stock. We need your support to prevent animals suffering and loss to our hardworking farmers. It is important to remember that by law farmers are entitled to destroy any dog that injures or worries their animal.

However, if you feel threatened by cows it is recommended that you let dogs off the lead, Move in a careful and calm manner with your body facing the animals, don't turn your back to the animal and run. Please tell the landowner of any attacks or frightening incidents.

Ringmore Parish Neighbourhood Plan Steering Group

The Steering group will have a tent at the village fayre on 26th August and will present a summary of our progress to date and the policies that are being considered as a part of the development plan.

Residents of the parish are invited to come and meet us during the fayre and see the work that has been done, talk to a member of the committee and make any comments they wish to at this stage of the process.

We look forward to seeing you at the village fayre.

Ringmore Parish - Heritage Assets

The planning group are beginning to prepare a list of Heritage Assets that lie within the parish and which may be considered to be an important part of the heritage of this area.

Heritage assets are not listed buildings subject to restricted planning controls, but are:

“A building , monument, site, place object etc. identified as being significant and thereby meriting consideration in planning decisions because of their heritage interest” (Extract from the National Planning Policy framework Feb 2019)

Listing a building as a heritage asset does not affect the owner’s current rights regarding their land or in respect of their property to alter, extend or demolish it. The designation is purely there to influence any planning decision in the immediate surrounding area of a heritage asset.

As an example, the owners of the barn conversions at Higher manor Farm might well consider them worthy for designation as heritage assets.

We are inviting readers of the newsletter to suggest assets that might be included on our list of Local Heritage Assets. This list would then be included in the Neighbourhood plan. Please complete the form below and send it either to Jenny Williams, Chair of Ringmore Parish Council, or Richard Baker, Chair of of the Steering Group.

We would appreciate forms being returned by the end of July if possible. Additional copies of the form can be obtained from David Vincent.

The same parishioner asked the PC to justify its response planning application **1227/19/VAR: Challaborough Bay Holiday Park, TQ7 4HU** to extend time limits for opening (minute 72.1 refers). Draft Minutes

91/19 TRAFFIC THROUGH VILLAGE

It was felt that satellite navigation directed through traffic past the Journey's End and that road was quite unsuitable for the volume of traffic being experienced. AK volunteered to research how to modify this route preference.

Under the Open Forum session a parishioner raised the issue of traffic volume and speed through Challaborough. In particular it was felt that over-large lorries travelling too fast presented a serious hazard and a tragedy was inevitable. It was hoped that this concern would be discussed as a joint issue with Bigbury PC at the forthcoming DCC Highways and Traffic meeting to be held at Follaton House in early July. The DCC Neighbourhood Highways Officer would be asked to put this issue on the agenda for the meeting.

96/19 APPLE EVENT

JR commented that it would seem that there could be a reasonable apple harvest this year, so he would prepare an outline proposal to run an apple pressing event, which would require a volunteer group.

Additionally, it would be important to try to re-establish a working group to keep on top of the housekeeping in the Community Orchard.
