Welcome to the Dolphin Inn. We serve a selection of home cooked meals using local produce and offer bed and breakfast accommodation in a traditional building opposite the pub.

This is a great village pub with a warm welcome to all.

From the Editor.....

Welcome to the June issue of the newsletter, written at the end of (what has felt like) the first decent month of the year. It seems that nature has re-balanced somewhat after the wet and very cold start to the year we have experienced. Amazingly, both May bank holiday weekends were lovely this last month and it was great for those of us with visitors to show what a beautiful area the Ringmore Parish lies within.

And speaking of the Parish, I do hope you were able to complete the Neighbourhood Plan questionnaire that was delivered to households at the end of March/early April. The return deadline was the end of May and I hope we will be able to provide some feedback later this summer.

The next 'big' village event is the Flower Festival. This starts on Friday 8th June and runs through to the Songs of Praise service at All Hallows at 6.00pm on Sunday 10th. I do hope you will be able to support everyone who has given their time and expertise to create some great flower displays in the church. Some village gardens will also be open for visiting and the WI will be working during the weekend to provide refreshments for all in the WI Hall.

Donations can be made at the church for church funds and refreshment monies will be used by the WI for their building maintenance programme.

If you have any comments or suggestions to make these will be gratefully received at
ringmorenews@gmail.com or by telephone to 811212.

TAKE TIME OUT

Joyce Howitt

By the time you read this, half the year will have almost gone, and the longest day will be approaching. As far as the seasons are concerned, this year the weather has been rather topsy turvy, ranging from being very cold and snowy to very warm within the space of a few weeks, but spring eventually arrived, and with it longer days, green leaves and blossoms. Now our thoughts turn to summer, sunshine, and hopefully, holidays.

Holidays allow us to go places and do things we enjoy doing without having to worry about work, routines and schedules, so that hopefully, having been refreshed, we will be ready for the hustle and bustle of returning to work and our other activities. Holidays give us the opportunity to relax in the way that suits us best, and we know that we will feel the better for it. But we live in a world where busyness is the order of the day; where it is often assumed that doing something, no matter what, is better than doing nothing, even although we know that constant activity without rest can leave us overtired and stressed where everything seems overwhelming and more urgent than it really is.

In the book of Genesis we read that God took six days to create the world and rested on the seventh. It is said that the ancient rabbis used to teach that it was on that day that God created tranquility, peace, serenity and repose, and that it was then, and only then, that creation was complete. The Gospels show that Jesus too would often make time for himself away from the crowds who constantly followed him around, eager to listen to his teaching and to witness his miracles. Although he was always ready to respond to anyone who was in trouble, he knew when it was time to stop, to reflect, rest, pray and spend time alone with God. Then he would look for a quiet place where he could be on his own, for he knew that the effectiveness of his ministry would be reduced if he was physically, emotionally and spiritually exhausted.

Maybe Jesus' example could be a reminder to us the next time that we are rushing around trying to cram as many things as possible into a short space of time. For we too need to take time out from the normal rhythms of life, to rest and relax, and renew our physical and spiritual strength.

All Hallows Church, Ringmore

The Village Service

On May 20th was lead by Rosemary and Christopher Piercy. We are grateful to them for the efforts they made to create an engaging and thought provoking service.

Visitors very Welcome!

Over the past few Sundays we have welcomed a number of visitors to our services. It is a great pleasure to welcome you to our church on Sundays, especially if you are holidaying or visiting relatives within the area.

All Hallows Wedding on 26th May

The church was full on Saturday for the wedding of local vet Jenny Davenport and her fiancé Raffael Schrof. The ceremony, which was lead by our vicar Matt Rowland included dual language hymns and prayers and the congregation enjoyed an Irish Blessing, sung in German by a small choir of German friends and relatives of the groom's family. It was lovely to hear the church organ played by Jo Highley along with excellent solo violin and trumpet pieces by Jack Highley and Mark Rottenbury.

Flower Festival - 8, 9 and 10th June

All Hallows will hold a flower festival in June with a theme of "Our Village". Members of the various village organisations are invited to produce a display if they so wish. It can be connected with their organisation or any other aspect of the village of Ringmore. Rosemary Wilson has kindly agreed to co-ordinate and provide assistance when required for the event so please contact her (810211) for further information. Refreshments during the event will be served in the WI Hall. We will have an Open Gardens event running during the weekend.

We shall need helpers to "man" the church during the festival, between 10am and 5pm each day. If anyone has any spare time we should be grateful for their help.

The "Songs of Praise" service will be held on the Sunday evening to close the Flower Festival at 6.00pm. This will be led by our team vicar, Matt Rowland. There is a box in the church for suggestions of your favourites hymns and choruses; a very fitting way to round off what we hope will be a lovely weekend.

Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Alice Thornton 810284, Judy Bull 810420, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405, Rosemary Wilson 810211 & Jenny Williams 810851.

Some people have said they are worried about confidentiality when asking for prayer. I can assure them that one of the main conditions of joining the prayer chain is the promise never to discuss the requests apart from the initial information being passed on. However it is always lovely to know that prayers have been answered (and they usually are, but not always when and how we expect!)

Kingsbridge Foodbank

Your support for the Foodbank has been considerable – well done and hopefully we can keep up the good work in 2018. The FOODBANK is here to help people in crisis in and around Kingsbridge. A container is placed in the Church Porch for items to be placed in which will be taken to the Foodbank every Thursday morning. They are currently welcoming donation of all types of non-perishable items (except Baked Beans and Tea), toiletries such as Toothpaste, brushes and toilet rolls and all types of household cleaning materials. Many thanks for your help for our neighbours in need.

No one has been in contact with the local Neighbourhood Policing team offering to be considered as Co-ordinator for Ringmore. Several residents however have contacted me requesting that I continue in the capacity of Neighbourhood Watch Co-ordinator.

I have agreed therefore, until further notice, to continue in this voluntary role.

If you have any ideas or suggestions as to ways we may circulate crime and safety awareness in our community I am all ears. Equally I would welcome your thoughts or comments with regards to Neighbourhood Watch and how we may improve yet further our Community use of this facility.

Currently the contact details for your local Neighbourhood Policing Team is

In the event of an emergency please call 999 or for non-urgent matters 101.

Remember that the above officers though based at Kingsbridge cover a very wide area of Devon due to manpower constraints. They will not be able to respond to mobile calls when unavailable or off duty etc.

Night landing site update.

We have now submitted the planning application and you may have seen the notice at the field entrance. You can also view the details of the application in the South Hams Council website.

In the mean-time we are finalising the quotes for the work to be carried out and will thereafter prepare a schedule of works.

When we finally get there perhaps it would be a useful village event to have a grand opening ceremony? If anyone has any ideas or would like to do anything special for this occasion please get in touch.

Stay safe

The equipment would be made available to people to press their own apples.

81/18 PARISH PATHS PARTNERSHIP

The grant of £10,800 for 2018-19 had been received and JR was working on a programme for the repair of the path to Ayrmer Cove in conjunction with the NT.

82/18 INFORMATION COMMISSIONER

On the recommendation of the internal auditor and in line with requirements of the new Data Protection rules it was agreed to register with the Information Commissioner at an annual cost of £35.

It was noted tha the new rules had not yet come into force and there would need to be a review of the data held by the PC.

DATE OF NEXT MEETING: Tuesday 12 June 2018 at 7.00pm

ANNUAL PARISH MEETING

The annual parish meeting opened at 7.30 and heard reports from:

Ringmore Parish Council chairman

The police – see report at Annex B below

National Trust

Night Landing Project see report at Annex A below

The Ringmore Parish Room

The Ringmore Historical Society

The oil purchase scheme

The clerk has copies of any written reports and anybody may apply for a copy.

ANNEX A: NIGHT LANDING SITE

At this time no further fundraising is planned or expected and thanks must go to all of the various groups and individuals in the village whom have contributed to organising and providing different events through the year.

Special thanks must go to Steve Chapman at Friar Tucks and Ella Dodds for putting on and paying the costs of excellent dinner party events both of which raised considerable sums.

Currently we have available to us the sum of £8,471 which is made up of a balance of £4,771 from collections made. South Hams District Council has agreed to provide us with a grant of £1,700 and Devon County Council has agreed a grant of £2,000.

We have now prepared and submitted a Planning application with South Hams District Council with a target due date for decision of 18th June 2018. Planning number 1285/18/FUL.

We are currently awaiting a final quotation from MAT electrics whom are likely to carry out the installation.

We have all other quotes in and which are currently under consideration. Once Devon Air Ambulance is in receipt of all of the required quotation information they too will consider providing a grant contribution towards the overall costs. Thereafter we shall agree contracts and prepare a schedule of works and commence the installation and completion.

Regards

Steve

ANNEX B: POLICE REPORT

Total crime for Ringmore Parish for the year 01/04/17 -31/3/18

11 (detailed as below)

Same period 2016-2017: 9

Same period 2015-2016 9

This year's crime breakdown:

- ? 1 assault with minor injury (suspect known but not able to pursue prosecution)
- ? 2 assault without injury (in one case a man was arrested and charged)
- ? 1 dog out of control (dealt with by a Community Resolution)
- ? 3 thefts
- ? 1 threatening behaviour
- ? 1 harassment (dealt with by Community Resolution)
- ? 1 criminal damage (man arrested and charged)
- ? 1 possession cannabis (man arrested and charged)

The wider Kingsbridge and Salcombe patch recorded 805 crimes over the same period, so with Ringmore accounting for only 11 of those, you remain a particularly safe parish, although you have seen a slight increase this year.

Police figures for the whole of Devon reveal an increase of 23% over the year in recorded crime. This can at least be partly explained by changes to our recording practices. Interestingly the latest Crime Survey of England and Wales report a fall in overall crime, so the picture is complex and contradictory to say the least!
