From the Editor.....

Welcome to the June 2019 issue of the newsletter.

Well the May bank holiday hasn't quite turned out as well as Easter weatherwise but the month has been one of the driest Mays in recent times as all you gardeners will be well aware. As I write this some much needed rain is falling, but will it be enough?

Ringmore Parish Council held the AGM in May to which all parishioners are invited. The meeting is an opportunity to learn about the activities of the council over the last year and the many groups that are involved in the local area and whose efforts and support we rely on (such as the police).

The turnout to the meeting was minimal and it would be interesting to know why. Even in my short time in the village I can remember a packed meeting room with lots of discussion at the AGM but this was probably because of a specific planning issue in the village that many folk were interested in.

Sadly we can't pick and choose to only hold PC meetings when there is something big to discuss and councillors are frustrated that there seems to be so little interest in getting involved. Perhaps I'm being naïve here but it is a worry for the future of the parish as a thriving community and for all the groups and societies that are keeping going but with fewer members.

If you are interested in joining us and being co-opted onto the Parish Council then please do contact Cllr Jenny Williams.

In a similar vein, I am grateful to Guy Eddy for his comments about the future of the newsletter (see the letters page). I am keen to start a debate about how it might continue after December and whilst I do have experience of basic desktop publishing there is no reason to suggest the newsletter couldn't be redesigned as a news-sheet that anyone might be able to produce using a simple word processing package.

I am committed to producing the newsletter for the remainder of the year as the advertisers have paid for this service and we need the funds to cover the printing costs. But if nothing can be arranged to continue the newsletter into 2020 then the final issue will be published in December.

But to finish on a positive note, it's great that Oliver Woodings and his fiancée Danielle Hutchings have invited all parishioners to their wedding party in the evening of 27<sup>th</sup> July. What a lovely gesture! (See their advertisement inside).

If you have any comments or suggestions to make then contact me at

ringmorenews@gmail.com or by telephone to 811212.

### The Vicar writes

There is a photograph from the White House taken during John F Kennedy's time as the President of the United States of America. The photograph shows JFK working at his desk in the Oval office at the centre of the White House. The office and the desk he is working at are symbols of all the power and authority of the most powerful position in the world. In this photograph one of Kennedy's small children is in his dressing gown playing under his father's desk before his bedtime.

Imagine having that access to the President of the United States. Imagine being able to pop in whenever it suited you to see the most powerful person in the world - to chat with him as a child to a father and to know that he will not just be available to see you, but be happy to listen you anything you say and willing to help you out in any way he can.

In the Lord's Prayer Jesus teaches his disciples to approach God, the King of kings and President of presidents, as Father. Jesus taught his disciples that they can approach the Supreme creator and ruler of the world not in trepidation but as Father because he has reached out in love and offers to wipe away our sins and adopt us as his own children.

Over May and June the churches of the Modbury Mission community are going to be thinking about the Lord's Prayer in our Sunday services. Why not come along to hear how you can get started in prayer or revitalise a wilting prayer life.

## All Hallows Church, Ringmore

### Services in May and June

Starting last month and continuing into June, our vicar Matt has introduced some new themes into our worship that have temporarily moved us away from the traditional lectionary cycle of recommended readings and related hymns. During May we began with a look at prayer (why and how we pray and who benefits) including a set of sermons and hymns based around a prayer that even non-church goers will be familiar with - namely the Lord's prayer. This will continue during June when we will move into a detailed look at the book of Jonah. This initiative is proving to be most interesting and informative and shows how Matt is having such a positive influence on our understanding of God's purpose and our role in this.

### Church repair and maintenance

It has taken quite some time to work our way through the various planning and diocesan rules and obligations before we get approval to start the repair work on the church wall and replace the heating system. I am very pleased to report however, that we have now received approval to repair the wall and this should start fairly soon. As for the church heating, a technical advisor from the diocese has prepared a report identifying the appropriate heating system that would also be approved by the diocese and we are well on the way to finalising a proposal for approval. I will keep you updated as we progress.

### Summer Fete

The All Hallows summer fair is set to take place on August Bank Holiday Monday this year (26th) and we are grateful to Ian Morgans for allowing us to hold this in his field by the road at the top of the village.

to support us in our efforts to do this. There is a separate notification and request for help elsewhere in this issue of the newsletter.

### Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Yvonne Turpin 810798, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405. Rosemary Wilson 810211 & Jenny Williams 810851.

Some people have said they are worried about confidentiality when asking for prayer. I can assure them that one of the main conditions of joining the prayer chain is the promise never to discuss the requests apart from the initial information being passed on. However it is always lovely to know that prayers have been answered (and they usually are, but not always when and how we expect!)

### Kingsbridge Foodbank

Your support for the Foodbank has been considerable – well done and hopefully we can continue this good work for the rest of the year. The FOODBANK is here to help people in crisis in and around Kingsbridge. A container is placed in the Church Porch for items to be placed in which will be taken to the Foodbank every Thursday morning. They are currently welcoming donation of many types of non-perishable items (except Baked Beans and Tea), toiletries such as Toothpaste, brushes and toilet rolls and all types of household cleaning materials. There is a more detailed list of items on the collection box in the Church porch. Please note, however, that the foodbank is unable to accept home-produced goods.

Many thanks for your help for our neighbours in

# Oli & Danni's Wedding

Danielle Hutchings & Oliver Woodings request the pleasure of your company for the evening celebrations of their wedding on the 27th July 2019 at Mandava Field, Ringmore from 7pm.

Live music is being provided by the fabulous Intuxicated. The Journey's End will be running a closed bar (taking card and cash) and freshly baked wood fired pizzas will be served by the South Devon Pizza Company (provided by us).

Please come and join us to celebrate our special day!

RSVP to Judith on 01548810629

Please note: we will be letting off some fireworks at some point during the evening

## All Hallows Summer Fair

### August Bank Holiday Monday 26th

We are currently planning for the Summer Fair 2019 which will be held on land at the top of the village by kind permission of Ian Morgans.

The details are still being finalised but expect to include a variety of stalls, games, food, wine and beer.

We are seeking ideas for activities and any offer of help with the event either before and/or on the day will be much appreciated.

You will be aware that All Hallows church is in need of much TLC and we are hoping to replace the collapsed section of the graveyard wall and the recently condemned heating system along with other important maintenance works over the coming months.

So the majority of the profit from the fair will be put towards this maintenance work.

Please contact me (811212) or Jenny Williams (810851) if you are able to help in any way.

Thank you! David and Jenny, All Hallows Church Wardens.

## May Fair report

A very big "thank you" to everyone who helped and supported the W.I. Fair. The weather, being slightly cool, meant that people didn't want to sit on the beach, so came and enjoyed a truly village event.

The refreshment team, headed up by Yvonne, did a marvellous job serving up delicious cakes, scones and copious cups of tea all afternoon.

Special mention must be made about the beautiful raffle put together by Jane. The hampers were fantastic, with every age catered for. And a special thank you to the heavy brigade for putting up the marquee and clearing away at the end of the afternoon.

It was a very successful afternoon, not just on the enjoyment side, but financially as well, with £1,024 raised. This will go towards the upkeep of the W.I. Hall and grounds (the insurance premium alone is over £800).

## Annual Meeting

*Our May meeting was the Annual Meeting, when we welcomed Evelyn Watson, our W.I. county adviser, to present this year's Resolutions. We also elected the officers and committee for 2019/2020; they are Jackie Tagent (President), Jane Baker (Secretary), Yvonne Turpin (Treasurer), Rosemary Piercy and Rosemary Wilson (Committee). Jackie Tagent continues as Hall Booking Officer*

## Letters to the Editor - write to ringmorenews@gmail.com .

Dear Editor,

I am concerned by your lack of success in getting a parishioner to take over the production of the newsletter. I was Chairman of the Parish Council when the Newsletter was first introduced in the early 80's. I remember Stan and Pam Brunskill getting a stencil cut, then Stan would take it over to Bigbury on Sea where someone had a Roneo type duplicating machine. You cranked the handle and produced a printed sheet. The Newsletter was distributed around the Parish and it quickly became evident what a valuable source of information it was, especially for the elderly and less mobile.

Ringmore is small and relies heavily on its residents to retain its vitality. I would urge any resident with a little spare time to get in touch with David and 'Have a Go'. Don't be deterred by an inability to reach David's high standards . Mistakes will be forgiven, remember.

RINGMORE NEEDS ITS NEWSLETTER

Dear Editor

I think it's common knowledge not to cut daffodils down too soon , reason being they come up next year blind (do not flower) . In my absence the daffodils outside my house have all been strimmed down , far too early . I planted those daffodils and over the years they have multiply . So please don't cut down too soon or no lovely daffodils next year . They are a lovely sight in the spring

# RINGMORE PARISH COUNCIL

*Seeks your support and involvement*

The Parish Council has two vacancies for councillors that we are very keen to fill for the future. The council meets once every month (excluding August and December) in the WI Hall. The role of the Parish Council is to represent the interests of the whole community. Local Councils provide a focus for the community to identify concerns and projects, and endeavour to solve them locally themselves. If you are interested in joining the council and want to know more, then please contact Cllr Jenny Williams on 810851.

We are also seeking to appoint a clerk to the Ringmore Parish Council. This is a paid role and on average requires ten hours per month in administrative duties on behalf of the council. Want to know more? Then please contact Cllr Jenny Williams.

The Ringmore Parish Council AGM is in May and all parishioners are welcome to attend to learn more about the work of the council and community groups over the last twelve months. The AGM will be held in the WI Hall at 7.00pm on 21st May.

## **Neighbourhood Plan :- report to the Parish Council AGM 21<sup>st</sup> May 2019**

Almost exactly two years ago the Ringmore Parish Council confirmed its wish to undertake a Neighbourhood Development Plan as outlined in the National Planning Policy Framework. Our Neighbourhood Development Plan forms the third tier of this government policy with the Plymouth and SW Devon Joint Local Plan being the second tier.

The Neighbourhood Development Plan gives local people a chance to have their say on how their parish should develop in the future.

To this end the Steering Group have held several consultations at parish social events and this has been backed up by a detailed questionnaire and Housing Needs Survey. There will be further focussed consultations with the local community before the report is finalised.

Currently the Steering Group are analysing the results of this consultation and drafting policies that are suggested by the majority result of that process.

There is lively debate amongst the Steering Group over several issues which we hope can be resolved by reasoned argument and consensus.

There is still a long way to go before the report becomes accepted by SHDC, a Government Inspector and a parish referendum but when it does it will have the same force as District and National policies and it must be given serious consideration during any planning application for development in Ringmore Parish.

### ***JAZZ AT THE FISHERMAN'S AVETON GIFFORD***

"Kingsbridge Jazz Club" is now firmly established at **The Fisherman's Rest** on the first Tuesday of the month, starting at 7.30pm (doors open 6.30). It has become a unique venue, much loved by the many top Jazz Bands who perform there.

We have professional and international musicians who play not only in the UK but around Europe and as far afield as New Orleans - some indeed have been granted the freedom of The City of New Orleans.

Come along and enjoy the high standard of live music that you would normally only expect to experience at a large city venue.

**4th June - The Enrico Tomasso Quartet ~ 2<sup>nd</sup> July Storyville Jassband from Holland**
