From the Editor.....

Welcome to the March issue of the newsletter, written during a very cold spell in late February. Following the message from Adrian about the Ringmore trees last month I have received responses from a few people in the village telling me about some of the initiatives that took place around the time of the millennium. These included new hedging off the path towards Ayrmer Cove and some new pines down alongside the copse next to pathway to the caravan park at the valley bottom below End House. The issue of the trees was discussed at the Parish Council meeting (draft minutes on page 15) but the majority view was for no formal involvement from the Parish Council and the expectation that issues around trees in the village would be dealt with on a case by case basis as the need arises.

I am grateful to James Stevenson for his poetic

offering in the letters page.

This month I have included a proposal for a village spring clean-up in Ringmore and Challaborough maybe sometime in April. We can no longer look to the council to make good and keep our signs and public spaces clean and good looking so it is down to us to get together and do this if there is enough interest from residents.

If enough folk are interested and able to contribute we could have a fun and very rewarding day in making our villages look great.

If you have any comments or suggestions to make these will be gratefully received at

ringmorenews@gmail.com or by telephone to 811212.

## ASTRONAUT OR ARCHAEOLOGIST?

I read the following recently: the older you get the more you move from being an astronaut to an archaeologist.

Why an astronaut when you are young? You're launching into unknown worlds, many of the major decisions of life ahead of you, all that potential, big hopes and dreams, going where you have never been before and doing what you have never done. Putting into practice training and gaining experience.

But as you get older, the writer went on to say, you begin to become more like an archaeologist. Let me quote you the exact wording he uses: 'You begin to look back at least as much as you look forward. As you look back you tend to dig through the mound of the civilization that was your past life, looking for pottery shards of thoughts, desires, choices, actions, words, decisions, relationships and situations. And as you do this, you can't help but assess how you have done with what you have been given.' Do those descriptions ring true for you?

As we move towards spring we are reminded that stitched into the fabric of the year are new starts and new life. As we move towards Easter we are reminded that because of the cross and resurrection of Jesus, Christians can look at the past and the future with confidence. Confident that their past mistakes have been forgiven. Confident that their future beyond the grave is secure. It is a big claim to make.

Come along to one of the Easter services to find out more.

## All Hallows Church, Ringmore

### Alice Mason.

It was lovely to see Norah and Chris together with members of the family when they travelled up from Kent to attend the Thanksgiving service for dear Alice on Saturday 17<sup>th</sup> February. The service was conducted by Michael Tagent in a packed All Hallows and was really special with the tributes given on the many aspects of Alice's life a testimony of the affection she is held in, by so many people. I do not suppose that here at All Hallows we will have another person to play the organ for the length of time that Alice graced the keys. Although it is a sad time we will all have our own special memories of the wonderful person that was Alice. The joint retiring collection held here at All Hallows, together with the service in January held at Bethersden church in Kent will be equally shared, as per Alice's wishes, between the British Heart Foundation and All Hallows.

### Pancake Day

The Shrove Tuesday Coffee morning was held on the 13<sup>th</sup> February and raised the marvellous sum of £269 for St Lukes Hospice. Many thanks to all who helped arrange, donated gifts and supported the coffee morning. It was a pleasure to see David cooking and tossing the pancakes this year. As well as the pancakes there was a general raffle, mouth watering cakes, cards and bric-a-brac to tempt patrons. Ian and Adrian generated two very different and interesting quizzes. It was a lovely occasion and great to see and hear villagers enjoying themselves.

### Church Clean - Saturday 24<sup>th</sup> March

The pre-Easter church clean will take place on Saturday 24<sup>th</sup> March at 10.00am. Anyone who can spare an hour or so that morning to help with the various tasks of sweeping, dusting, polishing and brass cleaning will be most welcome

### Good Friday –Friday 30<sup>th</sup> March

A Choral Passiontide Service will be held at St George's church Modbury at 2:00 p.m

The service, conducted by the Revd Matt Rowland, will be very similar to that used in Ringmore over recent years comprising unaccompanied singing and readings. Adrian is drawing together a choir for the service and as the singing will comprise of familiar songs it will require only one practice evening at St Georges on Tuesday 27<sup>th</sup> March at 7.00pm. If you wish to join the choir and attend

the practice evening then please contact Adrian on 810420

### Easter Sunday - Sunday 1st April at 11.00am

On Easter Sunday All Hallows will hold a Holy Communion Service commencing at 11.00am. The service will be conducted by the Revd Tom Brassil, the Vicar of the new Sherford village

### Rainwater Furniture Refurbishment

Our thanks go to Andi and Yogi King for completing the refurbishment of the rainwater furniture around All Hallows. It had been the subject of some concern recently as water has been leaking into the church in various areas but now hopefully all will be well. The work on the rainwater furniture would not have been possible without the generosity of the **National Churches Trust** who provided a grant of £2500 towards the cost.

### Flower Festival - 8, 9 and 10<sup>th</sup> June

All Hallows will hold a flower festival in June with a theme of " Our Village" Members of the various village organisations are invited to produce a display if they so wish. If so wished it can be connected with their organisation or any other aspect of the village of Ringmore. Rosemary Wilson has kindly agreed to co-ordinate and provide assistance when required for the event so please contact her (810211) for further information. Refreshments during the event will be served in the WI Hall. A "Songs of Praise Service" will be held on the Sunday evening to close the Flower Festival.

### What will you do during Lent - here is something different

#### Forty Days - Forty Items

Instead of giving something up this year why not do something positive to help others and declutter your home at the same time? Each day of lent, take one item from your home that you no longer use or need (clean or nearly new clothing, toys, books, household items in good condition or a £1 coin) and put it in a bag. At the end of forty days, take your items (coins) to the Cornelius shop at 6 Mill Street, Kingsbridge (01548 857313) to be sold to help local people with housing needs. The Cornelius Fund is a registered charity, No 1069257.

### Quinquennial Inspection

The five yearly inspection of the church and graveyard takes place this year. It is hoped that nothing untoward will be found. There are a couple of gravestones that do require stabilising together with the rear gate pillar that requires attention. James Brand has agreed to attend to these items shortly.

### Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Alice Thornton 810284, Judy Bull 810420, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405. Rosemary Wilson 810211 & Jenny Williams 810851.

Some people have said they are worried about confidentiality when asking for prayer. I can assure them that one of the main conditions of joining the prayer chain is the promise never to discuss the requests apart from the initial information being passed on. However it is always lovely to know that prayers have been

answered (and they usually are, but not always when and how we expect!)

### Kingsbridge Foodbank

Your support for the Foodbank has been considerable – well done and hopefully we can keep up the good work in 2018. The FOODBANK is here to help people in crisis in and around Kingsbridge. A container is placed in the Church Porch for items to be placed in which will be taken to the Foodbank every Thursday morning. They are currently welcoming donation of all types of non-perishable items (except Baked Beans and Tea), toiletries such as Toothpaste, brushes and toilet rolls and all types of household cleaning materials. Many thanks for your help for our neighbours in need.

Phill Errett

### RINGMORE TABLE TENNIS CLUB

The AGM will be held on the club night on March 13th during the break.

A thoroughly enjoyable time was had by club members at the annual social and doubles match on January 30th. Ladies provided drinks and men produced some delicious refreshments. Everyone played several three game matches with some very close games and the final was won by Sally and Andrew against Annette and Norman who were all presented with a bottle of wine.

The club meets regularly on Tuesday evenings from 8pm until 10pm. There is a very friendly, relaxed atmosphere and new members are made very welcome and although initially may be lacking confidence if they haven't played for some time, experience has shown that they soon improve. The emphasis is on the social aspect of the game, having fun, a laugh and enjoying oneself. Visitors are also welcome.

### JAZZ AT THE FISHERMAN'S AVETON GIFFORD

"Kingsbridge Jazz Club" is now firmly established at **The Fisherman's Rest** on the first Tuesday of the month, starting at 7.30pm (doors open 6.30). It has become a unique venue, much loved by the many top Jazz Bands who perform there.

We have professional and international musicians who play not only in the UK but around Europe and as far afield as New Orleans - some indeed have been granted the freedom of The City of New Orleans.

Come along and enjoy the high standard of live music that you would normally only expect to experience at a large city venue.

Bands for the next 2 months are as follows:

**6<sup>th</sup> March ~ Enrico Tomasso Quartet(Ticket ONLY)**

**3<sup>rd</sup> April ~ Slide by Slide**

## February meeting report

Have you ever wondered what it's like working in a prison? At Ringmore W.I.'s February meeting, the Revd Daniel Hartley, Vicar of Thurlestone, gave a very interesting insight into the time he spent as a chaplain to a Young Offenders Institution in Durham. Daniel headed up a team of chaplains covering Muslims, Hindus, Jews, Catholics – and Church of England.

His job was not just taking services on Sundays – which he discovered on one occasion doesn't always go smoothly, when a riot broke out in the chapel and he ended up having a chair thrown at him. Fortunately, he wasn't hurt too badly.

The chaplain has to get alongside prisoners and help them, especially if they have received upsetting news from the family outside. Chaplains and staff want these young people to see the errors of their ways, so that when they have served their time they turn over a new leaf. Unlike one inmate who, as soon as he was released, stole a car from the prison car park! As Daniel said, you meet all sorts in a Young Offenders Institution; it was a very challenging time, but he was glad to have had the opportunity of helping these young people.

## Coming up in March

*The speaker at our meeting on Thursday 8th March is Sheila Hancox, and she will be speaking on "How Paper is made"; the talk will include a bit about the former Stowford Mill in Ivybridge. Everyone is warmly welcome to come and hear Sheila; the meeting is at 8 pm in Ringmore W.I. Hall.*

Some of you may be aware that folk in Modbury are planning a MODBURY MARIGOLDS DAY on Saturday 14<sup>th</sup> April. The proposal is to get as many people together as possible for some or all of that day and to give the village a spring clean, including such things as weed control, cleaning and painting signs where appropriate and so on.

Your Ringmore parish councillors believe that this is a great idea and would like to know if there is an appetite in Ringmore for a similar event. Perhaps **Ringmore Revive** and **Challaborough Clean-Up** would be appropriate titles. We are suggesting this as the days are long gone when council funding permitted such activities to be done by the councils themselves. Increasingly now, if we want something done within the community then we have to do it ourselves.

However, before we commit to such an event we would like to know if you are supportive of this and would be willing to get involved. I pose a few questions below and would welcome your views.

Would you like to have, and be prepared to support, such an event?

What are the things that you would like to see done/delivered?

When do you think (in the spring) that we should have the event?

Should we have a small celebratory event - possibly a (funded?) supper/buffet, perhaps in one of the halls or at the JE at the end of the day?

Please contact John Reynolds on 811218 or David Vincent on 811212 or write to [ringmorenews@gmail.com](mailto:ringmorenews@gmail.com) by 25<sup>th</sup> March and I will provide feedback in the next newsletter.

There are so many people in the village that enjoy doing art or craft but all working silently at home. Lets get together, have a chat, a glass or two of wine and a bit of fun, while we make. Open to anyone, if you don't want to do any art or craft just come along for a chat! If there is something you have always wanted to learn there may well be someone in the group that will be able to help you.

# CPR & Defibrillator Training

1100hrs on Saturday 21<sup>st</sup> April 2018 at the WI Hall, Ringmore.

**ALL ARE VERY WELCOME, ADMISSION FREE**

Training provided by Nigel Toms the unpaid local volunteer Community First responder for South West Ambulance Service.

**Restart a Heart** Over 3,600 people are resuscitated by ambulance staff every year in the South West because they suffer a pre-hospital cardiac arrest. For every minute that passes once in cardiac arrest, a person loses a further 10% chance of survival, and with this dramatic loss in chance of survival, there is a need of a defibrillator every 4-5 minutes' walk.

Without doubt this availability would improve cardiac arrest survival rates throughout the South West. A defibrillator is a device used to give an electric shock to help restart a patient's heart when they are in cardiac arrest.

If there were more public access defibrillators, more people could get a life-saving shock as quickly as possible, ahead of an ambulance, which would assist in giving them the best possible chance of survival.

When someone suffers a cardiac arrest, the heart stops and blood is no longer being pumped around their body. The longer they go without emergency life-support, the harder it is to restart their heart.

## Letters to the Editor - write to ringmorenews@gmail.com .

Dear Editor

### Let There Be Light

Some people want to keep all trees regardless of their size.  
But are they wise, these worthy folk, perhaps they  
misadvise  
The residents and gardeners who all admire the views  
With which Ringmore is famous for and doesn't want to  
lose?

Yes, only God can make a tree, but also He has found  
For us the distant hills, the sea, the sights that here abound.  
Unmanaged trees block out the sun, cast shadows on us all  
So here's a plea, prune back your tree before it's grown too  
tall.

James Stevenson

# National Trust

Finally the cold weather arrived but it was still a very wet February which meant we have not been able to start our footpath improvements in the meadow behind Wembury beach. Fingers crossed for some drier weather in March.

Some of our tenant farmers have asked me to write about stock worrying as they are seeing an increasing number of incidents. We welcome you and your doggy friend onto our sites but please do adhere to the countryside code making sure your dog is on a lead when stock is grazing especially at this time of year when many sheep are pregnant and being chased by a dog can cause the sheep to miscarry an otherwise healthy lamb. Livestock worrying can occur when a dog attacks, chases or in the case of sheep, is at large (not on a lead or otherwise under close control) in a field where livestock is kept. Grazing is essential to manage the important Maritime Grassland which is an ideal habitat for scarce wild flowers such as autumn squill, lady's tresses and slender birds foot trefoil. The stock grazing and scrub cutting regime also provides nesting sites for the Dartford Warbler and the nationally rare Cirl bunting. All of this would be lost if we do not have sheep, cattle or ponies grazing on the cliffs. Please can dog owners also clean up after their dog ensuring it is bagged and taken home and disposed of appropriately. The National Trust is a charity funded through public donation and membership and we think very carefully about how we spend the limited resources we have and so we ask visitors in the countryside to take anything they brought with them back home again, whether that be litter or dog poo. This enables us to spend more money on essential conservation work to look after special places forever.

If you are looking ahead and wanting to plan some great days out then have a look at our events listed below and for further information go to [www.nationaltrust.org.uk/events](http://www.nationaltrust.org.uk/events)

# Ringmore Parish Room Calendar 2019

It's never too early to start thinking about the photos for next year's calendar! Our theme as always is Ringmore Parish but this time we are hoping for some more action shots including people or animals in identifiable local locations.

(Please have permission from all people who are clearly recognisable to print their photo.)

The closing date is **Thursday 31 May** – please submit your photos on memory sticks in a JPEG or PDF format to Robbie - Orchard House, 801738 or Ringmore –Parish-Room@hotmail.com

Starring Academy Award winner Helen Mirren, *The Hundred Foot Journey* is an uplifting and feel-good comedy bursting with flavour passion and heart. When the icy proprietress (Mirren) of a Michelin starred French restaurant in the quaint village of Saint-Anthony-Noble-Val gets wind of the Kadam family opening an Indian Restaurant just 100 feet from her own her protests escalate to all-out war between them. But as these two worlds collide, despite their different tastes, they find an unlikely source of compromise that will change both sides forever.

Resolution **carried unanimously**. The minutes were signed by the Chairman.

**20/18        MATTERS ARISING**

- 20.1        Web mail:** DV would advise councillors how to link their Ringmore webmail addresses to their personal e-mail accounts DV
- 20.2        Bullhorn Cross missing sign:** RG reported that he had sanctioned the cost of the replacement sign which would be installed shortly.

- 20.4        Cockle Lane:** The DCC Highways Officer had inspected the lane and reported that the mud had been cause by farm vehicles and the farmer should be invited to remedy. JD offered to discuss with the farmer. There was general discussion about a suitable place to leave mud cleared from roads. It would appropriate, as far as reasonably possible, to try and sweep or shovel onto the verge or under the adjoining hedgerow. JD
- 20.5        Defibrillator:** AK reported that the battery had been checked and would be good for another year. The pads should be replaced in May 2018. AK would try to establish the situation with the Challaborough defibrillator. The clerk would send DV a defibrillator sign. Clerk

- 21/18        RESIGNATION OF COUNCILLOR**

- 22/18        AIR AMBULANCE NIGHT LANDING SITE**  
Monies raised to fund the works stood at £6,053 following SHDC's grant of £1,700 (not yet received) from the Town and Parish Fund. Thanks were offered to BH for pursuing this matter on behalf of the PC. RG had offered £2,000 from the Devon Locality Fund in April 2018.  
DAAT urgently needed to get quotes for the works so that application could be made for planning permission. The Clerk would establish the procedure for applying for permission. Clerk

**24/18 PLANNING**  
**0669/17OPA Land south of Westbury**

It was noted that the application for houses on the field south of Westbury had been refused by SHDC.

**25/18 PLANNING – TREE ORDER**

0285/18/TCA Sweet chestnut fell: Orchard House, Ringmore, TQ7 4HJ  
No objection

**26/18 NEIGHBOURHOOD PLAN (NP)**

RB reported that any unspent grant money would need to repaid at the end of March 2018.

The steering committee was due to meet shortly.

**27/18 HIGHWAY MATTERS**

**27.1 Traffic to and from Park Dean**

Reply by e-mail from Steve Radford of Park Dean:

*"We do state to the holiday makers that there are 2 entrance and exit roads to and from Challaborough and when it is busy it can sometimes be quicker to use the road to the rear of the main venue, however the road down through Ringmore tends to be their preferred route once they have tried the back road as it can be prone to flooding and the corner at the end of the park is very tight and has major issues with pot holes. (We had 2 cars stuck last year and had to tow them out with our tractor). Obviously we will continue to do what we can to relieve any congestion."*

**28.2 Road Warden: Nothing to report**

**29/18 ENVIRONMENTAL MATTERS**

**29.1 Work Programme**

JD and JR would arrange to meet the contractor to discuss a work schedule.

JD/JR

**29.2 Modbury Marigolds Project**

The meeting discussed the forthcoming Modbury Marigolds idea and wondered if there would be enough work in the parish and if enough volunteers would be forthcoming to justify something similar in Ringmore. JR and DV will prepare an article for the newsletter inviting suggestions for work to be done from parishioners as well as volunteers. This should help identify the level of interest and need in the parish.

JR/DV

**29.3 Ayrmer Cove beach clean 17 March**

It was noted that there had been very few residents at the last beach clean.

**30/18 PARISH PATHS PARTNERSHIP**

JR was preparing the bid for 2018-19. He was considering how improvements to Smugglers Path could be achieved in view of the difficult access for vehicles to lay aggregate.

There was a discussion about the adverse camber on the track to Toby's Point which causes flooding at Cliffpath. Remedying this could be a PPP project. JR would continue to press DCC Highways and also to cost remedial work.

JR

Draft Minutes

### **31/18 DISTRICT COUNCILLOR**

BH reported the situation regarding the demolition of Bay View café in Bigbury. BH had raised £3,500 for Multiple sclerosis and motor neurone diseases charities and a Sherpa supper would be held at St Ann's Chapel hall on 28 February.

### **32/18 COUNTY COUNCILLOR**

RG had updated the meeting on various highway matters shown under Matters Arising above.

RG had agreed to fund half the cost of repairs to the W.I. Hall, being £1,500. The remainder will be raised by the WI. In order for the VAT to be reclaimed the grant will be paid into the PCs bank account and the invoices paid by the PC.

### **33/18 APPLE WEEKEND**

Set for 13 and 14 October 2018. The location needed to be agreed and a working group established.

### **34/18 ANY OTHER BUSINESS**

#### **34.1 Fete and or Garden Party**

There would be no fête in 2018 but it was hoped that a garden party would be held on Monday 27 August (August Bank Holiday).

On a point from a parishioner present the meeting discussed the apparent reduction in the number of trees in the parish and if trees felled should be replaced. Nothing formal was decided and matters would be decided case by case where trees had been marked for felling.
