

Ringmore Parish Newsletter

July 2017

Edited by David

Deadline for August, 25th July

Your village photograph needs you! This Sunday 2nd July at
12.00pm

Help to make sure we can fill all the space here with the
Ringmore residents of 2017 - See below for more details

Sunday 2nd July – Ayrmer Cove – Village photograph 12 noon

Weather permitting, the Village photograph will be taken on Ayrmer Cove, followed by an informal picnic for those who would like to participate. Transport is available for the less nimble, provided by the National Trust, please let David Vincent on 811212 know if you would like to avail of this facility or contact him via e-mail via on ringmorenews@gmail.com

If the weather is bad we will decamp to the Parish room for the photograph. We would like to see as many of Ringmore Village as possible as it becomes a real record of the Village and those who have lived here and will be a record for generations to come..

Prints will be available at the same price as previously and can be ordered either from David as above or Mike Wynne-Powell on 810407. Order forms will be available when the photograph is taken.

If you have any questions, please contact David or Mike.

From the Editor.....

Welcome to the July edition of the newsletter. The seventh month of the year is named by the Roman Senate in honour of the Roman general, Julius Cæsar, it being the month of his birth. Prior to that, it was called Quintilis. It is on average the warmest month of the year in the northern hemisphere though it will have to go some this year after such a spectacular June.

I am aware that this edition of the newsletter is heavy on parish information and requests for support and light on R&R. I will try and change that balance next month.

This month the Neighbourhood Plan development gets underway. There is a request for volunteers to serve on the steering group and I would encourage villagers to consider how they may contribute to this process. We want the group to be a representative of the village and surroundings as possible and we know that there are many people with good experience and skills which would benefit the process. The newsletter will publish progress reports about the plan in the months ahead.

Last month I expressed disappointment that the village fete was unlikely to be held this year; and so it has transpired. However, I am delighted to report that the All Hallows team have decided to fill the vacuum on 28th August with a Church garden party (fete?) To which all will be welcome. It will be held in the gardens of Barnford. We are very grateful to Adrian and Judy for coming to our aid so late in the day. More details inside and in the August newsletter.

The Parish Council website is now in development and I hope to have something to show councillors at the next council meeting on 11th July. A number of societies have agreed to have a web page for their activity and I will be back in touch with them this month to arrange the content they wish to have on the site.

This month's newsletter cover is simply produced as a reminder for everyone to come to the beach at Ayrmer on Sunday for the village photograph. It should only take 30 - 45 minutes of your time and is a valuable record for the village of who was present in July 2017. I have learned of some concern that the image will be published on the internet with full details of all the residents included. Can I assure you that this is not the case. Whilst the image is likely to be published in the newsletter, online it will be as a pdf file with no personal identification data included.

Finally, if like me you are growing cucumbers you are likely to have a glut of them very soon. Timely then that Carmen has sent me a recipe for *Swedish Cucumber Salad* which will help us to use up the excess. It looks and sounds quite delicious.

If you have any comments or suggestions to make these will be gratefully received at
ringmorenews@gmail.com or by telephone to 811212. David

THE RHYTHM OF LIFE

I wonder what your summer memories will be this year? The bright summer sunshine? Church Fetes, family gatherings, holidays? The consequences of the General Election and Brexit negotiations? It may even have been memories of a drought as forecast just a while ago but now thankfully we've had a plentiful supply of sunshine **and** rain. As a gardener, I marvel at the way things thrive with a little of each – and under these conditions, my how the lawns and churchyards grow!

It's time to revel in these days of summer in this glorious part of the world, to rejoice in the warm mornings and long days for all too soon they will be replaced by those which herald that autumn is on its way. For the cycle of the year moves on. Each season passing to make way for the next in the rhythm of life and death and resurrection.

Yet the changing of the seasons are comforting and refreshing. We anticipate the coming of each as we interpret the signs around us and experience each period of change with our senses. Rhythms of the seasons, rhythms of life. Our human appreciation of rhythm inclines us to form habits. We look forward to the harvesting of vegetables and fruit in their own season, growing and ripening in the summer sun.

Like the rhythm of the seasons in the wonder of God's creation around us, there are things in the rhythm of our daily routines that we might not want to be without. Reading the paper or news on the internet, doing the crossword at a certain time of day. Taking an afternoon or evening walk. Habits that become part of the daily ritual of each day. Each new day that is given to us as gift by God. Offering the one who has given us the gift of the day, time in the rhythm of it to be thankful to him. Giving thanks in the ordinariness of the day for the tokens that God offers to us that demonstrate his divine presence with us. And as with the rain and sunshine of summer, a little of each making the grass grow, so too do these daily companions of rhythm help us to grow and point us back towards God.

What we offer may seem inadequate, but what is important is that it is a beginning – a step along the way, an opportunity as the seasons come and go – to allow God's love to enter and do the rest. For the steadfast love of the Lord never ceases. His mercies never come to an end. They are new every morning. Great is his faithfulness. (From Lamentations 3: 22-23 - Old Testament)

June Services

We were treated to really lovely services in June that were conducted by our Rural Dean, Rev Jackie Taylor on the 11th and the Archdeacon of Totnes, the venerable Douglas Dettmer on Sunday 25th June. For both of them it was their first visit to All Hallows and they were very impressed with the village, church and the welcome they received

Neil's Successor

The revised closing date for applications for the post of the Modbury Benefice Team Rector was the 28th June, and hopefully there will have been a number of applicants. Interviews, once a short list has been produced will take place on the 20th July. The interviews will choose a priest with the qualities and experience needed to answer a call to the appointment as Rector to the Mission Community and its five parishes. Judy will be the All Hallows representative on the interview panel and our thoughts and prayers will be with her at that important time. With the interviews taking place in July it is likely to mean that the vacancy will not be filled until the end of October at the earliest.

Church Garden Party - Monday August 28th

Following the decision not to hold a village fete this year All Hallows will be organising a Garden Party, to which **all** will be most welcome. Adrian and Judy have very kindly offered their garden as the venue for Refreshments, Stalls and Games. The Garden Party will be held on August Bank Holiday Monday 28th August. Further details will be announced in the August Parish Newsletter

Flower Festival 2018

All Hallows will be holding a Flower Festival in the church on 8th, 9th and 10th June 2018. Discussions are well underway to choose a suitable theme to allow the very creative "Flower Arrangers" scope for their talents.

Missionary Support

We have just received a short message from Kezia M'Clelland who All Hallows is pleased to support as she carries out her work in the Middle East. Kezia has just returned from Lebanon where she ran a 'training of trainers' event for 'child protection champions' - 6 Syrians, 5 Lebanese and 1 Iraqi participant. It is hoped that this training will inspire and equip them to be able to teach others in their own communities about keeping children safe.

"Hello Ringmore friends!

Thanks so much for praying for my time in Lebanon - it went really well! We trained, 'child protection champions' from Syria, Lebanon and Iraq - it was wonderful to see them really engaging with the sessions and all of them said they would be willing to lead child protection training for churches and organisations around them so that was really exciting!

If you can pray for me now, it would be great if you can pray for the many conversations I'm having at the moment with different people about upcoming work for this year - I hope to be going back to Lebanon for another year of trips, and also back to Egypt, and there are some other new opportunities too. Could you pray that I'll be doing the right things? Once my plans are clarified, I will be able to see if there is a date for me to come and see you this year - that would be really good! Lots of love to you all, Kezia"

Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Alice Thornton 810284, Judy Bull 810420, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405, Rosemary Wilson 810211 & Jenny Williams 810851. Some people have said they are worried about confidentiality when asking for prayer. I can assure them that one of the main conditions of joining the prayer chain is the promise never to discuss the requests apart from the initial information being passed on. However it is always lovely to know that prayers have been answered (and they usually are, but not always when and how we expect!)

Kingsbridge Foodbank

Your support for the Foodbank has been considerable - well done and hopefully we can keep up the good work in 2017. The FOODBANK is here to help people in crisis in and around Kingsbridge. A container is placed in the Church Porch for items to be placed in which will be taken to the Foodbank every Thursday morning. They are currently welcoming donation of all types of non-perishable items (except Baked Beans and Tea), toiletries such as Toothpaste, brushes and toilet rolls and all types of household cleaning materials.

For more information and offers of help they can be reached at: tel 01548 853287, Email info@kingsbridgefoodbank.org.uk or via their website www.kingsbridgefoodbank.org.uk Many thanks for your help for our neighbours in need.

Ringmore Neighbourhood Plan

The Ringmore Neighbourhood Plan will be an important step in determining the way the parish develops over the next 20 years and therefore it is important to all residents to take an active interest in its proceedings. An embryonic Steering Group has been formed under the auspices of the Parish Council and this will be consolidated during the next month with extra members.

The Steering Group is seeking representatives of all the settlements within the Parish:- West Challaborough, Ringmore Village, Marwell and South Langston/Renton. We would also like all aspects of our parish to be represented, young working families, retirees, businesses etc. but the Steering Group also needs to be kept to a manageable size. Anyone interested in joining the group should reply to the poster on the notice boards or to the advert in this Newsletter.

Some progress has already been made. The Group has agreed Terms of Reference for the Project and these have been ratified by the Parish Council. This forms a basic part of the SHDC registration procedure. The area to be considered is the whole area inside the Ringmore parish boundary.

The next steps are to seek grant aided funding from SHDC and some training of the Steering Group members to carry out the task. After that The Group will embark on "information gathering" and this may involve a parish presentation or exhibition and a questionnaire. I hope you will give this your full consideration and support.

There will be regular monthly updates to The Parish Council and to residents via The Newsletter.

All ladies and gentlemen welcome

SUMMER MEAL

Ringmore W.I. decided to have a meeting with a difference, so members and husband enjoyed a social evening over a delicious meal at the Dolphin Inn in Kingston.

The Dolphin is run by Craig, who used to be at the Bigbury Bay Bistro, but who took over the Dolphin about a year ago. His staff are most welcoming – nothing is too much trouble.

The choices on the menu are superb and cover all dietary requirements. We made our choices in advance, which helped the catering and avoided delays. People could choose either a two course or a three course meal, depending on preference (and ability to enjoy a large meal!).

The 13 people in the party were on two tables, which made for easy conversation (and there seemed to be plenty of that!).

Everyone agreed that it was a lovely, relaxing evening and certainly one to repeat.

Next Meeting – Thursday 20th July

Speaker – Stephen Beach

2017 dates: No August meeting, 21 September, 19 October 16 November

Swedish Cucumber Salad with Dill and Parsley

2-3 large cucumbers, unpeeled (about 2 pounds of cucumbers)
1 small onion, thinly sliced into half-moons
1/3 cup apple cider vinegar
3 tablespoons sugar
1 tablespoon chopped fresh parsley
1 tablespoon chopped fresh dill (or 1 teaspoon dried dill weed)

Partially peel cucumbers by peeling a lengthwise strip, then leaving a nearby strip of peel attached, then peeling another lengthwise strip (as shown in photo above). This makes a decorative effect, and leaving some peel on also helps the cucumber slices stay structurally sound. (Of course, if you absolutely can't stand the skin, peel the darn thing all the way around.)

Once the decorative effect is achieved, slice the cue in half vertically. Use a tiny teaspoon to gently scoop out and discard the seeds. (If you know your homegrown cues have tiny seeds and they don't bother you, you may omit this step.) Then slice the cucumbers thinly in half-moons. A mandolin works well for this, or use a knife for the old-school way.

Place cucumber slices and onion slices in a deep bowl. In a measuring cup, mix the vinegar, sugar, parsley and dill, stirring until sugar is dissolved. Pour mixture over the cucumbers. Let it sit at room temperature for 30 minutes. The cucumbers will have released some of their water and the liquid in the bowl will have increased.

Cover and chill well before serving. Store it in a plastic container with a tight-fitting lid, and turn the container over to distribute the juice every so often.

Thank you Carmen for this recipe.

Safety Advice

The organisations responsible for managing the Coast Path have developed these guidelines to help you have a safe walk. Please read and always follow them.

As well as following the [Countryside Code](#), when you are walking the South West Coast Path remember:

Staying safe is your own responsibility - please look after yourself and other members of your group

Let someone know where you are going and what time you are likely to be back - mobile phone reception is patchy on the coast. Take something to eat and drink. Informal paths leading to beaches can be dangerous and are best avoided. If you are crossing a beach, make sure you know the tide times so you won't be cut off

Keep to the path and stay away from cliff edges - please follow advisory signs and waymarks.

Whilst it is tempting to go close to cliff edges to peer over you should stay back from them: as a slip or trip could be fatal, some cliffs overhang or are unstable and this is not always obvious, take particular care when the grass is short, as when wet it can be very slippery

Take special care of children and dogs – please look after them at all times.

Keep your dog under close control. Children and dogs may not see potential dangers – such as cliff edges - especially if they are excited. Do not disturb farm animals or wildlife – walk around cattle not between them, especially if they have calves. Cattle may react aggressively to dogs - if this happens, let your dog off the lead

Dress sensibly for the terrain and weather - wear suitable clothing and footwear and be ready for possible changes in the weather.

For your comfort:

Check the weather forecast before you set out. Protect yourself from the sun – sea breezes can hide its strength

On the coast, mist, fog and high winds are more likely and can be more hazardous. Wear comfortable footwear with a good grip. If you are going far, take waterproofs and extra clothing, especially in cold weather

To enjoy your walk, stay within your fitness level – some sections of the Coast Path can be strenuous and/or remote.

Plan a walk that suits your fitness level. Find out about the section you plan to walk. Turn back if the walk is too strenuous for anyone in your group. Be aware that the surface of the Coast Path varies and will generally be more natural and more uneven away from car parks, towns and villages. Remember that in remote areas or at quiet times you may not see another person for some time if you are in difficulties

In an emergency dial 999 or 112 and ask for the coastguard.

Unpleasant crime – not aware this in our area to date but worthy of warning. This is happening in supermarkets across the country! See report below.

'I was approached yesterday afternoon around 3:30pm in my local Aldi car park by two males, asking what kind of perfume I was wearing. Then they asked if I'd like to sample some fabulous scent they were willing to sell me at a very reasonable Price. I probably would have agreed had I not received an email a couple of days ago, warning of a "wanna smell this gorgeous perfume?" scam.

The men continued to stand between parked cars, I presumed to wait for someone else to try it on. I stopped a lady going towards them, pointed at them, and told her about how I was sent an e-mail at work about someone walking up to you at the shopping centre or Supermarket car parks, and asking you to SNIFF THE PERFUME that they are selling at a ridiculously cheap price. **THIS IS NOT PERFUME – IT IS 'ETHER' (A POWERFUL DRUG!)** When you sniff it, you'll pass out, they'll take your handbag, your valuables, and car keys. If it were not for this e-mail, I probably would have sniffed the "perfume". But thanks to the generosity of an emailing friend, I was spared whatever might have happened to me. I wanted to do the same for you.'

PLEASE BE ALERT, AND AWARE!!

Ring the changes. Kingsbridge Police have advised that they have received reports of two males 'ringing the changes' in this area whom are described as follows.

Male 1- Tall, dark hair, dark skinned, foreign accent, blue puffer jacket. Male 2- Large build wearing red jacket. Please call 999 if seen quoting log 572.

Do not allow anyone to confuse you by exchanging large amounts of cash. Shopkeepers/landlords be aware.

Neighbourhood Policing

I have been invited to attend a meeting to be held at South Hams Council offices to discuss Neighbourhood Policing.

The meeting held by South Devon and Dartmoor Community Safety Partnership will form a view on the review of Neighbouring Policing to submit to the PCC and Chief Constable.

This exercise will be to capture views on the role of neighbourhood policing and where the priorities should lie to pass onto those who will be making decisions about a future model with reduced numbers.

I would be pleased to receive any suggestions or comments from members of the Ringmore community in relation to the above and in order that I may consider presenting these at the meeting. I have also asked the same question of our local Police Neighbourhood Police team.

There are lots of changes ahead with a much increased intention to engage Police volunteers (of which I am currently one) and Citizens in Policing.

As the meeting is due 7th July 2017 please supply me with any comments or suggestions ideally by email asap.

Drinks cartons (Tetra Packs) can now be recycled into the Blue sacks

The frustration we have all felt when we finish a juice or milk carton and can't put it in our recycling bags, has now come to an end.

From now on, South Hams residents can recycle the coated food and drink cartons in their blue recycling sacks. This will be welcomed by many residents, who until now, could only take this kind of packaging to recycling banks and recycling centres.

Neil Greenhalgh, Operational Manager for Waste, explains the change: "We have listened to residents, reviewed suggestions, and made changes based on this feedback. This is a major milestone for recycling in the South Hams. Residents already recycle a lot of cartons at recycling banks and this will enable residents to recycle at home as well.

When recycling coated cartons, it just takes two easy steps. First, rinse and squash the carton then pop them straight into the blue sack. Caps can be left on, because these are removed during the recycling process."

In the UK, cartons are used for food and drink packaging and on average UK residents use 57,000 tonnes of cartons a year, roughly 2.4kg per household. Cartons, such as Tetra Pak, are mainly made from wood fibre, which is a natural renewable resource. They are a low carbon packaging choice comprised of 75% paperboard, 20% plastic & 5% aluminium, and they are 100% recyclable.

Cartons collected go to the carton recycling plant in Halifax. The process takes advantage of the strength and quality of the wood fibres found in cartons by turning them into industrial-strength cardboard. This is then made into 100% recycled tubes and cores which are used as centres for wrapping products such as cabling, plastic film and wrapping paper.

JAZZ AT THE FISHERMAN'S AVETON GIFFORD

"Kingsbridge Jazz Club" is now firmly established at **The Fisherman's Rest** on the first Tuesday of the month, starting at 7.30pm (doors open 6.30). It has become a unique venue, much loved by the many top Jazz Bands who perform there.

We have professional and international musicians who play not only in the UK but around Europe and as far afield as New Orleans - some indeed have been granted the freedom of The City of New Orleans.

Come along and enjoy the high standard of live music that you would normally only expect to experience at a large city venue.

Bands for the next 2 months are as follows:

4th July ~ Fret and Fiddle

Members of the public present: 4

96/17 DECLARATIONS OF INTEREST
None

Minutes not yet approved

97/17 MINUTES OF THE PREVIOUS MEETING
IT WAS RESOLVED THAT the minutes of the meeting held on 18 May 2017 were accepted as a correct record
Resolution **carried unanimously**. The minutes were signed by the Chairman.

The meeting noted a request from Mrs A Lambell for clarification of minute 73.6 of the meeting held on 25 April 2017 (concerning protection of the undeveloped land south of Westbury and the 'no build' to covenant to each of the properties adjacent to the area of the field shaded red on the map attached to the minutes of that meeting). The covenant to be given by the landowner is a private matter and does not involve the Parish Council in anyway

98/17 CASUAL VACANCY
Following the resignation of Tracey Heneghan the council had a casual vacancy and the vacancy would be advertised by posting a notice on notice boards and in the Ringmore News.

99/17 AIR AMBULANCE
Nothing to report in regard to the site identified. RG offered to help with fund raising from his Locality Fund.

100/17 PLANNING
1675/17 AVGLEN FELL
It was noted that the revised plan did not differ substantially from the 2016 plans which the PC had supported. Accordingly **IT WAS RESOLVED THAT** the application be supported and the Clerk be instructed to notify SHDC accordingly.
Resolution **carried unanimously**.

101/17 FINANCE
Bank balances as at 0 June 2017 £6,844.31
Payments to be paid electronically:-
Peter Javes Administration 93.03
TOTAL **93.03**
Thus cash now available **6,7512.28**
VAT of £598 would be reclaimed at the end of June.

102/17 TRANSPARENCY CODE

DV reported on progress with development of the website and was busy collating information to be used and he hoped to make a presentation at the July meeting. It was agreed that councillors would be allocated new PC e-mail addresses so that PC business could be accessed quite separately from personal e-mails.

DV had contacted various clubs and societies in the parish and offered them a page on the website.

103/17 NEIGHBOURHOOD PLAN (NP)

IT WAS RESOLVED THAT the draft terms of reference drafted by Richard Baker (attached at Annex A) be and is hereby formally adopted by the PC and the Clerk be instructed to forward it SHDC accordingly.

Resolution **carried unanimously**.

Richard Baker gave an update on progress and reported that SHDC had offered to help with induction for the steering group. The next step would be to prepare an application for grant funding.

104/17 VILLAGE FETE

Keith Bedborough reported on the disappointing lack of progress in finding a suitable field for the fete and it was agreed that it would not be feasible to hold a village fete this year.

105/17 APPLE WEEKEND

The apple weekend was planned for 14-15 October. An organising group had been formed and a marquee ordered.

106/17 WORK PROGRAMME

Gravel had now been delivered to the bottom of the valley.

107/17 SKIP DATE FOR OCTOBER

JR was trying to arrange a date in October.

Minutes not yet approved

108/17 PARISH PATHS PARTNERSHIP

Nothing to report

109/17 TRAINING PROGRAMME

To be left until the PC had a full complement of councillors.

110/17 COUNTY COUNCILLOR

RG spoke about the re-organisation of the Neighbourhood Highway Officers. If there were any highway issues in the parish RG should be advised and he would discuss with the new highways officer, Adam Keays, with whom RG had regular meetings. The road between Totnes Cross and Halwell had recently been completely relaid and was now fully open.

Regarding recycling of household waste, SHDC could now accept drinks cartons such as Tetrapak in blue sacks, previously these could not be accepted because of the plastic content (a full list is attached at Annex B). The proposal to charge for the brown bin collection had been scrapped.

RG is on the Inland Fisheries Conservation committee which has responsibility for all aspects of fishing in rivers and coastal waters.

RG hoped to attend every other meeting in future.

111/17 DISTRICT COUNCILLOR (submitted by e-mail after the meeting)

SHDC Planning Dept is very busy at the moment with 60 applications per Planning Officer being open at any one time. So please be patient, each individual is overworked.

The Bay View Cafe at Bigbury on Sea has been granted Community Asset status. This might mean Ringmore residents can return to the island beach for tea and cake, lunch or supper at some stage in the future.

The St Ann's Chapel development decision will affect the approach to Ringmore village. BH expects it to go before the Development Management Committee in the next month or two and Ringmore parishioners are welcome to attend the meeting at SHDC Totnes.

BH is aware of a marquee which may be of use for fetes etc. It can accommodate 80-100 people. BH will try to get more specific details if there is interest.

DATE OF NEXT MEETING: 11 July 2017 at 7.00pm

Minutes not yet approved

ANNEX A: NEIGHBOURHOOD PLAN TERMS OF REFERENCE

Ringmore Parish Council decided at its meeting in April 2017 to combine with the Ringmore Residents Association to oversee the development of a Neighbourhood Plan for the parish. It has been decided to form a small Steering Group drawn from the Parish Council, together with residents of Ringmore Village, Challaborough, Marwell and South Langston.

Purpose of the Group:-

To co-ordinate the preparation of a 'Neighbourhood Development Plan' for the whole parish of Ringmore in consultation with all the parish community.

Objective:-

To facilitate the production of a viable Neighbourhood Plan for the parish. The plan will encompass the opinions and views of all members of the parish community through public meetings, exhibitions, workshops, surveys and regular contact via the Parish Newsletter, Parish Council and the Ringmore Residents Association.

Membership and Governance:-

It is foreseen that there will be a core steering group plus a wider working group and that the constitution of these groups will change as the development of the plan progresses and the skills required and the input needs change.

The core group will be made up of members of the Parish Council, together with residents of the Parish who express a strong interest in joining the core group. Other interested residents with specialist skills or geographic location may also be asked to become members.

The wider working group will comprise those parishioners who express an interest in assisting with the preparation of the Plan and prefer to work on specific projects in the development of the plan rather than overseeing the steering process.

Additional members will be co-opted from time to time to provide specific skills and experience as and when required.

Declarations of Interest:-

Will be in accordance with Ringmore Parish Council standing orders. However anyone declaring an interest should absent themselves from that part of the meeting and if this is repetitive and of significance should make way for another representative to take their place on the Steering Group.

Voting:-

Every effort will be made to reach a consensus view before going forward, however in the event of an absolute impasse then the Steering Group would take a vote.

Such a vote may be taken with a simple show of hands or if any committee member so desires it, there shall be a secret ballot.

Decisions referred to the Parish Council

The Parish Council will be asked to confirm and agree the work programme for the preparation of the plan; agree any interim proposals put forward for consultation with the public; agree the draft plan prior to community consultation and the final plan prior to submission to South hams District Council

Report and Feedback:-

There shall be a monthly report to the Parish Council and a monthly update in the Ringmore Newsletter and on the Parish website. The Residents Association will also be used as a communication corridor via their membership database.

Resources and Finance:-

Costs may for example be incurred for the hiring of venues for meetings, the preparation and circulation of printed materials and through the hiring of an independent body to assist with the development analysis of questionnaire data.

The steering group will draw on the expertise and knowledge of appropriate staff at the District and County Councils and call on them for the relevant data they hold.

All monies will be accounted for by the steering group and held by Ringmore Parish Council. Any payments will be made via normal Parish Council procedures.

The Steering Group will apply for grant funding where applicable and further funding will be in accordance with Parish Council policy. If necessary the Steering Group will undertake any further fund raising.

Monitoring and Review:-

The preparation of the plan will be monitored by the Parish Council from the monthly reports of the steering committee. Ongoing review of the plan development and implementation will be set out in the plan. Amendments maybe made to the plan as needs evolve and the review process identifies new requirements.
