From the Editor.....

Welcome to the September edition of the newsletter. The ninth month of the year and the seventh month of the Roman calendar (septem being the Latin name for seven).

On August Bank Holiday Monday the Church Garden Party was held in the grounds of Barnford. This event was put on at very short notice and its success was a credit to all those who pitched in to make it so. Funds raised will be used to support the Church repairs fund and put towards the Ringmore community helicopter night landing site. There will be a full report on this event in next month's newsletter.

With no Parish Council meeting in August there are no minutes this month. The next meeting will be on 12th September (usual time and place) with the minutes to be included in October's newsletter.

Did you have a look at Phill's quiz last month and the great story idea from James using just 24 words. I have included the answers to the quiz this month (but even with the answers I still don't understand some of the questions!). The winners of the story competition will be announced next month and if you are inspired to have a go the deadline for receipt of entries has been extended to 15th September.

All being well, I will be advertising the Parish Council Website in the newsletter next month. It is hoped that the website will be a resource for the whole community and the clubs/societies that are run in Ringmore. You will be able to view council documents on the site and download past editions of the newsletter etc. Watch this space!

Looking to the skies above Ringmore in the last few days of August I have been pleasantly surprised by the number of Swallows that have obviously fledged this year. Their numbers seemed quite reduced in the Spring when they arrived but they must have had a very successful breeding season.

If you have any comments or suggestions to make these will be gratefully received at

HOORAY FOR HARVEST!

Harvest-time has been celebrated from earliest times. Around 1280BC, on their release from slavery in Egypt, the Jews were commanded to "celebrate the Feast of Harvest with the firstfruits of crops you sow". In England, thanks have been given for successful harvests since pagan times.

An early harvest festival used to be celebrated at the beginning of the harvest season on 1 August and was called Lammas, meaning 'loaf Mass'. Farmers made loaves of bread from the fresh wheat crop, and these were given to the local church as the Communion bread during a special service thanking God for the harvest.

More commonly, harvest has been celebrated when "all is safely gathered in". The traditional Harvest festival is held on the Sunday nearest the Harvest Moon. This is the full moon that occurs closest to the autumn equinox (22 or 23 September). The modern British tradition of celebrating Harvest Festival in churches began in 1843, when the Revd Robert Hawker invited parishioners to a special thanksgiving service at his church at Morwenstow in Cornwall, and many of our harvest hymns and customs date from the Victorian era.

With supermarkets selling foods from across the world, the link with harvest has weakened. We take for granted that everything will be available on demand, and it is perhaps more difficult to remember that "all good gifts around us are sent from heaven above", and thus to thank God for his goodness.

There would be no harvest without sowing, so let's not forget the farmers and growers on whom we depend. And their work would be useless without the sun and rain we take for granted. So thank God for the harvest!

Just as we look forward to harvest, so Christians await a different sort of harvest. As the seed of the gospel is sown week by week, so we pray that it will germinate, take root in people's lives and bring forth a rich harvest of people trusting and following God. That is of course the meaning of the well-known Parable of the Sower told by Jesus.

Harvest Festival: Sunday 24th September

Our Harvest Festival this year will be held on **Sunday 24th September. The Harvest Festival Service will be held in All Hallows at 9.30am. The Harvest Festival Lunch** will once again be held in the Ringmore Parish Room at 12.30 for 1.00pm. Tickets priced at £12 (under 14's £6) have been kept the same as last year thanks to Tracy and Conor from the Journeys End who will, once again, be providing excellent food. Tickets will be available shortly and may be obtained from Drina 810405, Judy 810420 and Phill 810547. This is not a fund raising event, costs have been kept to a minimum as it is treated as a big thank you to all who have given much valued support to All Hallows throughout the year. We hope once again that All Hallows will be decorated with an abundance of flowers, fruits, vegetables and non perishable food items. Please note that this year we will be forwarding perishable food to the Korniloff at Bigbury and tinned and non perishable items to the Kingsbridge Food Bank. Thank you in advance for any items you can give. See also poster elsewhere in the Newsletter.

Village service

On Sunday August 20th we enjoyed a service with a difference, which was led by Drina Williams and Rosemary Wilson. The service was based around favourite hymns and verses chosen by members of the congregation. There were so many favorites chosen that time only allowed for a few verses of each hymn. A visitor from Corby, Northamptonshire, stood up at the end of the service saying that she really appreciated it. She was grateful for the lovely welcome she had received from the congregation and that were are very lucky to live in such a lovely and welcoming village. Well done Drina and Rosemary.

Missionary Visit

On Sunday 15th October we welcome Kezia McClelland in her busy schedule to our Sunday Village Service. Kezia recently sent her latest update on the much valued work she is carrying out in conjunction with Viva who continues to develop and grow their work supporting children affected by conflict and disasters. As well as developing resources to support churches and organisations to support children in emergencies, Viva has been present in the Middle East and Asia working to help churches respond on the ground. Kezia has recently returned from Beirut carrying out a three day training course of local leaders covering the skills and knowledge to put in place systems to keep children safe. Kezia's two page Newsletter can be found in her folder alongside the visitors book in All Hallows. It provides a fascinating insight into the most beneficial work being carried out in the war torn Middle East- please do spare a few moments to read her Newsletter.

It is our pleasure to offer Kezia some support in her much valued work.

Joyce Sandover

A thanksgiving for Life was held in All Hallows in August conducted by Rev John Elliott.

Many moving tributes of Joyce's life were given by various members of the family. Joyce who was 95 was still helping at the home she was in, polishing tables etc right up to the end. She will also be remembered for her much valued and greatly appreciated support she gave over many, many years to All Hallows.

Brian McCabe

Brian passed away in hospital overnight on Wednesday 16th August. Brian was such a lovely character of the village and will be sadly missed. I expect we will all have our favourite memories of Brian and I suppose mine will be sitting on the bench with him at Holywell Stores listening to his maritime tales and latest escapades. Please watch the church notice board for details of his funeral arrangements.

Kingsbridge Foodbank

Your support for the Foodbank has been considerable and I have been asked to express their thanks and gratitude – well done and hopefully we can keep up the good work. The FOODBANK is here to help people in crisis in and around Kingsbridge. However their stocks are getting low and they are desperately in need of, and would welcome donations of, any of the following items, UHT Milk, Tinned Potatoes, Tinned Veg (no beans or pulses please), Tinned Tomatoes, Tinned Fruit (in juice not syrup), Squash/Long life Juice, Tinned Meat, Sugar, Porridge, Weetabix, Biscuits, Pasta Sauce, Table Sauces, Coffee and Dog Food. A container is placed in the Church Porch for items to be placed in which will be taken to the Foodbank every Thursday morning. Your continued support is very much appreciated.

Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Alice Thornton 810284, Judy Bull 810420, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405, Rosemary Wilson 810211 & Jenny Williams 810851.

Some people have said they are worried about confidentiality when asking for prayer. I can assure them that one of the main conditions of joining the prayer chain is the promise never to discuss the requests apart from the initial information being passed on. However it is always lovely to know that prayers have been answered (and they usually are, but not always when and how we expect!)

Phill Errett

tearfund

It's good to report that the Tearfund lunches are back over the autumn and winter. They are held each month usually on the first Monday and start this year

on October 2nd. Other dates this year are 6th November and 4th December. Lunches comprise homemade soup and a roll followed by a delicious hot dessert. All funds go to the Tearfund charity for their work in fighting poverty throughout the world. Lunches are held in the WI hall from 12.00pm to 2.00pm.

Copies of the village photo in various sizes can now be ordered. Please see the order form on the left. Feel free to cut this out or photocopy it and then forward it on to either Mike or David.

Alternatively call Mike Wynne Powell on 810407 or David Vincent on 811212 to pass on your order.

Each order will additionally receive a printed list of everyone in the photograph - if we can identify them all!

We will have to consider the merits of repeating the exercise in future. I know some villagers were concerned about having their photo and names accessible on the internet as a result of inclusion. Others felt that we should have taken the photo in a more accessible location (such as the WI garden). If you have views on this please let me know in the normal way.

"Kingsbridge Jazz Club" is now firmly established at **The Fisherman's Rest** on the first Tuesday of the month, starting at 7.30pm (doors open 6.30). It has become a unique venue, much loved by the many top Jazz Bands who perform there.

We have professional and international musicians who play not only in the UK but around Europe and as far afield as New Orleans - some indeed have been granted the freedom of The City of New Orleans.

Come along and enjoy the high standard of live music that you would normally only expect to experience at a large city venue.

Bands for the next 2 months are as follows:

5th September Jeff Barnhart's Hot and Sweet.
4th October ~ John Burgess' Jelly Bean Jazz Band

A big thank you from Adrian & Judy

We both so enjoyed opening our garden and sharing it with the village and we hope that everyone else enjoyed it as much as we did. Of course it was only possible because of the amazing army of helpers, not only on the day but also in preparing and tidying up the garden during the week before, setting up beforehand and clearing up afterwards. Thank you to all those who helped and to all who came on the day to make it so enjoyable. It was a real privilege to be part of that wonderful team of helpers; we cannot say thank you enough, not only on behalf of ourselves, but also on behalf of All Hallows and the Community Night Landing Site project, which will share all the proceeds.

We are accustomed to seeing the setting sun turning red on a cloudless evening at any time of the year. In this country we say: 'Red sky at night is the shepherd's delight' (although the French have a saying which implies poor weather after a red sky at night).

But what do we make of a red setting moon in the evening?

Did you see the moon turning red on the 26th & 27th August at about 10 o'clock at night, whilst still well above the horizon, on those beautiful cloudless evenings. A waxing moon (the inverse of a letter 'C') still in its first quarter, it was very much a crescent moon, but it needs to be to be following the sun quite closely (not long after the eclipse across America) to set with some streaks of daylight still remaining in order to be such a deep red colour, a perfect end to a perfect day of weather.

Adrian Bull

Dear Editor

A huge thank you to everyone who made our Blessing such a glorious experience on 29 July - in spite of the weather. This could end up like an Oscar's speech, but I will keep it short. We had a fabulous day and we would like to thank so many people - too many to name but we would mention in particular everyone who came huge distances to join us, Madeleine for the use of her field, Rosemary for some stunning flowers, posies and bouquet, Michael for a moving service, the PRC for the use of the Parish Room for much longer than anticipated and everyone who made the day so memorable.

Thank you - Robbie and Roger Bristow

Robbie has asked me to advise everyone that the Village Fete Committee members comprise Keith and Mary Bedborough, Robbie and Roger Bristow and Kash Bawden

Holiday Quiz and Short Story Competition

Last month I presented the short story competition suggested by James Stevenson. As we will not be announcing the winner until the October newsletter I think it is reasonable to extend the deadline until Friday 15th September. I've received several entries but would like to see more. So please apply some of your creativity to composing a short story. Each story should be **24** words long and comprise words beginning with each letter of the alphabet in consecutive order. You are excused from using X and Z. Each story (or statement) should have a separate title (this will not form part of the word count). James has kindly prepared the following example under the title - Dietary Advice.

All breakfast calories divulge energy. Far greater healthwise is juice. Keeping lithe means no oily puddings. Quit raw sausages. Takeaways – utterly vile. Water – yes!

James has agreed to judge the entries and select a winner. The winner will receive a £10 voucher from WH Smiths. Entries to ringmorenews@gmail.com by 15th September. The winner will be announced in the October issue. Good luck!

My thanks to Phill Errett for the quiz last month. I have repeated the quiz below; this time with the answers and it now all makes complete sense!

We are now almost through the school summer holidays and the weather has been its usual hit and miss with some cracking sunshine and some amazing downpours. Our Thursday summer fun events have been well attended with visitors enjoying various activities at Wembury and South Milton Sands. We have also trialled some 'pop up' events on the better weather days at these beaches which visitors have really enjoyed. We hope to do these when we have good weather in other school holidays and will let people know about them via our Facebook page.

The orchard at Ringmore is looking great and it's going to be a good year for our apple crop. We were up at the orchard in mid August collecting some of the first apples ready. We have several different types of heritage variety trees which mean they all need harvesting at different times from mid August right through to mid October. We are trying to get up there every couple of weeks to collect all the ripe apples to put into storage so we will be able to make some juice later on in the year.

We have said goodbye to 2 of our full time volunteers Rosie Jones and Emily Brown who have been volunteering with us whilst on their summer holidays from university. Rosie is returning to university to complete her final year and Emily has gone onto another voluntary placement before starting a Master's degree. We wish them all the best. We also have a new Assistant Ranger Rosie Wright who will be working 2 days a week with us for the next 2 years. Rosie will be helping us with events and volunteer management.

If you are looking ahead and wanting to plan some great days out then have a look at our events listed below and for further information go to www.nationaltrust.org.uk/events

Saturday 9th September 16.00 – 21.30 Big Night on the Beach – South Milton

This family favorite is back again, celebrating the end of summer with family activities and the spectacular sundown parade. You'll also have the chance to try out watersports, rock pooling, crafts, and beach games, with storytelling, a bird walk and more too. In partnership with the South Devon Area of Outstanding Natural Beauty, this event is not to be missed. The event is free to attend, but small charges apply for some of the taster sessions.

Saturday 16th September 10.30 – 12.00 Beach watch beach clean – South Milton

Sunday 17th September 10.30 – 12.00 Beach watch beach clean – Wembury (in partnership with Wembury Marine centre)

Our coastlines are enjoyed by millions of people every year, which is why we're taking part in the Great British Beach Clean again this year. By cleaning these beaches, we can ensure these wonderful areas stay in ship-shape condition for visitors every year, and protect the marine wildlife that lives along our shores. Working alongside the Marine Conservation Society, we'll be picking up litter and noting what we collect for the MCS annual litter survey results. Please bring a pair of gardening gloves and shoes suitable for getting wet. Dress for the weather. Booking is not required, but you can register your interest via www.mcsuk.org/beachwatch/
