From the Editor.....

Welcome to the October 2019 issue of the newsletter.

Its fair to say that after a decent summer, we are now truly into Autumn. Early September was glorious but as the month came to and end the storms returned and a lot of rain has fallen in the last week or so.

The Ringmore News now has two more issues to be published in its current form before it is merged with Bigbury news and the *Bigbury and Ringmore Newsletter* is launched next year. I will be having further meetings with the editor of Bigbury News, Louise Wainwright, to discuss the handover, along with Pat Dolby who will be gathering Ringmore information for the newsletter in future. I will provide further information about how the new publication will look and run in the November issue and am confident that Ringmore folk will still have access to the information they need about what is happening within this Parish.

Come the Autumn come the Harvest and we look forward to the Harvest Festival service in the church on Sunday 27th October, followed at lunch time by the Harvest lunch in the Parish Room. You are welcome to join in with either or both events; further details inside this newsletter.

And speaking of harvest, the next big village event will be held on Sunday 13th October in the garden of Barnford. Ringmore Apple day which is supported by the National Trust will enable anyone to try their hand at making apple juice from harvested apples. Other apple related activities will be taking place on the day and there will be Tea and cakes for all. Please see the ad in this issue for further information.

If you have any comments or suggestions to make then contact me at ringmorenews@gmail.com or by telephone to 811212.

Certainty at an uncertain time

As I write there is great political uncertainty. Will Britain leave the European Union on 31st October? Will we leave with a deal? What will be the effects on the economy? By the time you read this we **may** have some certainty in these uncertain times!

St Luke, who wrote one of the early biographies of Jesus' life, says at the beginning of his Gospel: 'Therefore, since I myself have carefully investigated everything from the beginning, it seemed good also to me to write an orderly account for you, most excellent Theophilus, so that you may know the certainty of the things you have been taught.'

Luke wanted Theophilus to be certain of who Jesus was and what it meant to follow him. To meet that aim, Luke tells us that he spoke to the eye witnesses. Those who heard, saw, touched, ate and spoke with Jesus, so that Theophilus could be certain.

In our current age we are often nervous of anyone who says they are certain when it comes to matters of faith. It can appear narrow, arrogant, superior and even dangerous. There have been plenty of Christians like that. But a certainty over who Jesus is should humble rather than puff up a person. Luke tells us that Jesus came to 'seek and save the lost.' When someone understands who Jesus is and how he offers new spiritual life to those who cannot earn their way into God's family, that certainty should breed humility and thankfulness.

This Autumn in the Modbury Mission community, come along to one of our services as we look together at Luke's gospel to have humble certainty.

Church repair and maintenance

The next hurdle in the application process for approval of the new heating system has been cleared and the consultation period is now over. The project is now under final consideration and with a few final provisos from the Diocese to be addressed I feel reasonably confident that work will start during November. A couple of people have asked about the funding of such a large project and at more than £12,000 this is a big investment for such a small parish church to make. However, with a generous legacy in the summer and events such as the Village Fayre contributing more than £2,000 towards maintenance we are building up funds that should eventually cover the whole cost of the work. Fund raising will continue over the next year and I do hope you will be able to support such events as are arranged to keep All Hallows in prime condition for all residents of our parish.

Harvest Festival

Our harvest festival this year will take place on 27th October. There will be a harvest service in the church where we will praise and thank God for the successful harvest, most of which will have been completed by the month-end. Rosemary Wilson is once again organising the floral decoration of the church for this

event with help from her excellent support team. With the local care home now closed we request that harvest gifts be restricted to canned and packed produce which will be sent to the Kingsbridge Foodbank after the harvest celebrations. Some long lasting fresh produce may also be acceptable to the Foodbank but it is probably sensible to keep this to a minimum.

Harvest Lunch

The lunch will be held as ever in the Parish Room on 27th October at 12.30pm for 1.00pm. All are welcome (you are not obliged in any way to attend the morning service to be able to come to the lunch!) Tickets are £12 and this year we have asked the 'Dinner Service', headed by Liz Turner, to provide the lunch for us. Please contact Drina, Jenny or David for your ticket (see ad in this issue for more information)

Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Yvonne Turpin 810798, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405. Rosemary Wilson 810211 & Jenny Williams 810851.

W.I. NEWS

SEPTEMBER MEETING

Ringmore's September meeting was one of those months when several members had other commitments, but numbers were increased by five visitors, and everyone enjoyed the "Board Games with Wine" evening that W.I. member Ali and her husband had organised. Anyone walking past the Hall and hearing the laughter would have no doubt that people were enjoying themselves. In addition to the games (and wine), we also had a lovely finger buffet supplied by Jackie.

OCTOBER MEETING

At our meeting on 10th October at 8 pm, we will welcome Felicity Goodall with "Stories from the Home Front" in World War 2. This will be an illustrated presentation and promises to be an evocative evening.

Felicity has been to Ringmore before, and it will be a joy to welcome her back.

Everyone is welcome, both ladies and gentlemen.

The Ringmore Singers and Friends

The All Hallows Carol Service this year will be held on Sunday 15th December at 6.00pm.

As before we plan to re-form the Ringmore Singers for this event and practices will begin in late October. With the departure of Adrian and Judy Bull earlier in the year we have had to seek a new choir leader and I am delighted to report that Joanne Highley (who will be known to many of you) has agreed to lead the choir and Rosemary Piercy will provide accompaniment on the piano, which should be a great help to those of us who don't read music well. Choir practices will take place on Saturday mornings for a couple of hours starting at 10.30am at the Piercy's home; The Folletts. The first practice will be held on Saturday 19th October and anyone who would like to sing carols is welcome to join us. The choice of carols will have been made by then and music and words will be provided on the day. We look forward to seeing you then.

Last year the choir was invited over to Burgh Island hotel to lead the singing of carols to the hotel guests. Apple Taylor works at the hotel and has agreed to lead a repeat concert there this year this time accompanied by Robin Brett. The concert will take place at Burgh Island Hotel on Sat.14th December at 4 p.m.

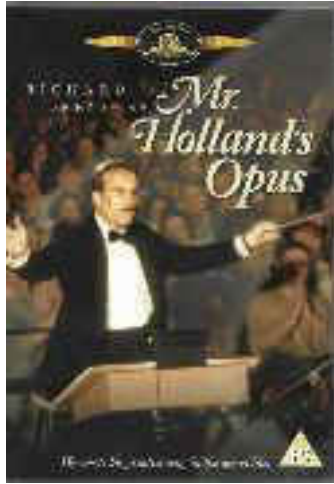

Rehearsals for the 4 part harmony carols will take place each Friday beginning November 15th at the Ringmore Parish Room from 7.00pm to 9.00pm.

This will be Apple's first venture into leading a choir and she aims to keep rehearsals light and fun but with serious attention to the music ! We will try to ensure there will be much overlap in the selection of carols for both concerts.

A limited number of dedicated choristers is sought as there is only room for 20 on the sea tractor at night ...

If you are interested to take part, please contact appletaylor72@gmail.com and let her know.

Starring Richard Dreyfuss... Imagine playing the drums when you have no sense of rhythm or singing with such emotion it's like falling in love. Every so often a teacher draws talent from students they never knew they had. Every so often there's a Mr. Holland. Richard Dreyfuss' performance is one of the most compelling metamorphoses ever seen on screen. A life-affirming, beautiful film.

BIGBURY DRUMS

FOR THE COMMUNITY  BY THE COMMUNITY

Whilst the Ringmore newsletter keeps you up to date with what is happening in the parish, there are a lot of events in the surrounding parishes which some of you may not be aware of. **Bigbury Drums** is an email notification published by the Bigbury News team every 7 - 10 days. It comprises a stream of posters promoting local events in Bigbury, Modbury, Kingston, Ringmore, Aveton Gifford and Malborough.

If you want to be kept informed about what's going on in our local area then do send an email to bigburydrums@gmail.com and you will be added to the circulation list. This is, of course, absolutely free!

Shoebox Appeal

Please may I ask, once more for your support for this appeal? By filling a shoebox with gifts you can give such joy to a child living in difficult circumstances. In some instances these are the first presents they have ever received.

The boxes will be despatched in November, so now is a good time to start collecting items to fill them, but please only new or nearly new suitable items. A list of suggestions and some knitting patterns will be on the notice board in the Church porch for you to take.

Please note; Due to import restrictions, sweets and toothpaste can no longer be included in the boxes

Many thanks for your support

Alison Wynne-Powell

Crisp and snack bags urgently needed. Any brand - any size, including the outer bags of multipacks

I have found a company which recycles these difficult products, but they need to be sent in 5kg boxes. That's a lot of packets!

Would you please save all your packets and drop them to me when you are passing or give me a ring and I will collect them for you.

Thank you so much.

National
Trust

Wow we September has been crazy busy at the Rangers office, Thank you to every one who came to our Big Night On the Beach at South Milton Sands it was a totally magical evening, made by all of you wonderful people who came to take part in the fun. We estimate we had about 1000 people at the beach taking part in the myriad of activities from Hula hooping workshops, rockpooling, treasure hunts, and of course the ever popular lantern making, this year our theme was plastic in the ocean and as part of this lots of our young visitors made magnificent fish lanterns from old milk bottles decorated with tissue paper. We then popped a light inside creating a whole shoal of beautiful multicoloured fish the children carried as part of the sunset parade.

Thank you to all the volunteers who joined in with our Marine Conservation Society (MCS) great British beach cleans, your help is amazing, and together we collected over 20 bags of rubbish from our beaches.

With the beginning of September, and the end of the bird nesting season. The rangers are off the Coast Paths and into the woods. The National Trust's tree safety management procedure, requires trees that are near busy sites (car parks, footpaths, roads etc), are inspected to assess whether they represent a risk to life and/or property. This process is an important part of our work and increasingly as our trees struggle with stressors associated with climate change, the frequency of diseases within our woodlands is sadly only likely to increase. So if you spot our rangers gazing up in to the tree canopy they are doing tree surveys.

The Trust Rangers have also been helping at the Ringmore community orchard bringing in the bumper harvest, macerating and pressing apples ready for the **RINGMORE APPLE DAY**. Please come and support this fantastic event on **the 13th October 2-5pm, Barnfield Paddock, Ringmore**. There will be a myriad of apple based activities for all the family. All proceeds from the day are being donated to the Allhallows heating repair bill, so please come and eat cake, drink delicious mulled apple juice and join in with this little celebration of Orchards.

Please bring with you a plastic container for some apple juice to take away, any apples you would like to press, and of course we would love any apple cakes, or biscuits you can donate.

Please stop and have a chat to the team if you see us out working or if you have any comments about the work of the National Trust. For further information please call or E-mail Jessica.tatton-brown@nationaltrust.org.uk

Ringmore Parish Neighbourhood Plan Steering Group

Dear Parishioners as you may know a small group of 7 volunteers have been working as a steering group for over a year now in order to develop the Ringmore Parish Neighbourhood Development Plan (NDP).

Once completed and accepted through due process this document will become a vital part of the planning decision framework for the Parish. It will reflect the desires of the Parish in their attempts to govern the future development of this highly cherished and protected area, we call home.

The success of the undertaking depends upon the availability of committed individuals working together as a diverse group, ensuring delivery of an inclusive and balanced NDP serving the Parish needs.

Due to the resignation of 2 members of the group we are keen to re-establish numbers and even possibly increase numbers in order to drive the NDP, which is well on the way to being established, across the finishing line. Hopefully, the result will be something we can all be proud of.

If you can offer some time and commitment for this important cause, please get in touch with: -

124/19 NEIGHBOURHOOD PLAN (NP) – by e-mail from RB

The Steering Group has now completed its first draft of the main chapters of its Neighbourhood Plan, namely Foreword, Introduction, Vision statement, Housing, Heritage, Tourism and Holiday Parks, and Natural Environment. We need to add chapters concerning Infrastructure, Communications, Health and Wellbeing. The Group has also completed four public consultations at village public events and plans a further drop-in morning for residents to see progress and ask questions which will be held in the WI Hall on Saturday 16th November 2019.

We are anxious to widen the representation of the Steering Group and there is an advert for new members to be posted in the next edition of the Ringmore Newsletter. There have been some changes to the composition of the Steering Group, with two members feeling that they are overcommitted and need time for other things now that the initial chapters are nearly complete. However I am happy to inform Council that we have already replaced these vacancies and two new members will join the Steering Group at the next meeting.

JAZZ AT THE FISHERMAN'S AVETON GIFFORD

"Kingsbridge Jazz Club" is now firmly established at **The Fisherman's Rest** on the first Tuesday of the month, starting at 7.30pm (doors open 6.30). It has become a unique venue, much loved by the many top Jazz Bands who perform there.

We have professional and international musicians who play not only in the UK but around Europe and as far afield as New Orleans - some indeed have been granted the freedom of The City of New Orleans.

Come along and enjoy the high standard of live music that you would normally only expect to experience at a large city venue.

1st October Slide by Slide ~ 5th November, JB Jazz and Blues
