## From the Editor.....

Welcome to the September issue of the newsletter. Our weather has pretty much returned to average for the time of year and the land in and around the Parish is beginning to look a lot greener again. With Autumn officially starting on the 1<sup>st</sup> September, we can now look back on an exceptional summer of sunshine. I hope you enjoyed your summer here in the South Hams as much as I did.

With the Autumn comes the harvest and the Ringmore Harvest festival service at All Hallows on Sunday 23<sup>rd</sup> with our Harvest lunch in the parish room beginning at 12.30pm. All are welcome to both or either events and tickets are now available. Please see the advertisement in this issue of the newsletter.

As our Vicar Matt has written in his piece, September is often a month for fresh starts or at least changes.

There will be a significant fresh start, as we say farewell and thank you to Dane & Hilary, who have served this community so well for the last 20 odd years.

And taking over at Holywell Stores will be Jas Kooner and her husband Jaswinder coming to St Ann's Chapel from their business in Stratford upon Avon. We wish them every success as they start afresh here in the South Hams.

It is sad to read that Steve Comley is no longer going to be reporting on Neighbourhood Watch issues for the Parish.

Steve has done a great job in disseminating information about personal safety and security for people in the Parish and has worked closely with the Police and Coastguard services in keeping us up to date. He has been particularly instrumental in the creation of the Night Landing Site and I'm sure I speak for everyone in thanking him for his efforts to get this and other projects underway.

If anyone in the Parish is willing to take on the Neighbourhood Watch role for the Parish then please make contact with Steve or the newsletter and we can help you get started.

Please note there was no Parish Council meeting in August, so no minutes this month.

If you have any comments or suggestions to make these will be gratefully received at  
ringmorenews@gmail.com or by telephone to 811212.  
David

## A FRESH START

September often feels like a month of fresh starts. As a Football or Rugby fan the season is still new enough to remain optimistic about your team's chances this year. New players over the summer transfer window have been signed. I heard this morning on the radio that my team have signed an upcoming England star. The season stretches out with possibilities of a decent cup run, promotion or at least a higher finish than the season before.

In the world of education a new term starts with all its potential. Everyone has had the summer off and generally returns with enthusiasm! New teachers have new classes. New uniforms, new bags and new stationery have been purchased. Exercise books are full of white space waiting to be filled. It is often in the autumn when people think about looking for a new job after they have had time to rest and reflect during the summer holidays.

One of the books I have on my bookshelf is called; 'A fresh start'. On the back it says '*if you have been searching for a book that simply and clearly explains what it means to be a Christian your search is over*'. I think it is a brilliant title for a book about Christianity, as a fresh start is what God offers people through the death and resurrection of Jesus. A fresh start with new forgiveness, identity, purpose and future. This autumn please feel able to come to one of our services, perhaps the Harvest celebrations, to hear more about the 'fresh start' that Jesus offers.

## All Hallows Church, Ringmore

### August Village Service

Our village service last month was taken by Drina Williams and Rosemary and Mike Wilson. It was lovely service with a number of hymns chosen by members of the church. Sadly, Drina has decided she must bow out of the village service rota - we shall miss her wise and spiritual insights.

### Harvest Festival

Our Harvest Festival this year will be on Sunday 23<sup>rd</sup> September at 9.30am followed by Harvest Lunch at the Parish Room (12.30 for 1.00pm). All are welcome to attend the service and the lunch or just one of these events. Tickets for the lunch will be on sale shortly from David Vincent, Drina Williams and Judy Bull and there is an advertisement for this in the newsletter.

If you are able to help decorate the church or just donate flowers, produce or tinned items, please contact Rosemary Wilson on 810211; you will be warmly welcomed.

An additional harvest service for all the church members in the benefice will be held on 27th. September at 7.30pm in All Hallows Church. This will be an evensong service and is to be led by our vicar Matt Rowland.

### Tearfund

The Tearfund monthly lunches begin again on 1<sup>st</sup> October in the WI Hall from midday until 2.00pm. Do come and enjoy home made soup and bread,

followed by crumble and ice-cream. Rounded off by tea or coffee. All proceeds go to Tearfund, a Christian charity which helps destitute people around the world.

### Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Alice Thornton 810284, Judy Bull 810420, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405. Rosemary Wilson 810211 & Jenny Williams 810851.

Some people have said they are worried about confidentiality when asking for prayer. I can assure them that one of the main conditions of joining the prayer chain is the promise never to discuss the requests apart from the initial information being passed on. However it is always lovely to know that prayers have been answered (and they usually are, but not always when and how we expect!)

### Kingsbridge Foodbank

Your support for the Foodbank has been considerable – well done and hopefully we can continue this good work for the rest of the year. The FOODBANK is here to help people in crisis in and around Kingsbridge. A container is placed in the Church Porch for items to be placed in which will be taken to the Foodbank every Thursday morning. They are currently welcoming donation of all types of non-perishable items (except Baked Beans and Tea), toiletries such as Toothpaste, brushes and toilet rolls and all types of household cleaning materials. Many thanks for your help for our neighbours in need.

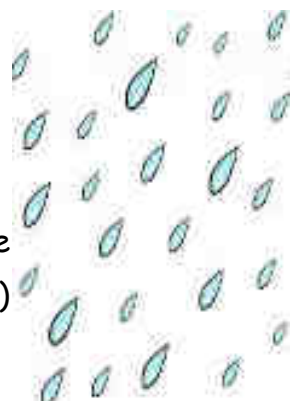

### RAIN AFTER DROUGHT

Across the sky, where gulls fly free  
The sun beats on a glassy sea  
And rainclouds form and drift inland  
To cross the surf, the cliff, the sand.

Life-giving rain falls from the sky  
Wets droughty land that's dusty dry  
Brings life to parched and wilting earth  
Refreshes, starts the slow rebirth.

So when the brolly and the mac  
We use against rain's fierce attack  
Give thanks for every drop of rain,  
In case it doesn't come again

James Stevenson; (sent to me once  
the rains finally came to Ringmore)

## Could you give some hens a happy home?

Picture this scene: a warm day, the flowers are in bloom, the bees are buzzing around busily and you are sat in your favourite garden seat with a nice cup of tea. What could be better? How about watching some friendly, inquisitive hens scratching around and eating up all those pesky slugs? Even better, how about having some hardworking ex-commercial hens enjoying the freedom their retirement has brought them to watch? If this sounds appealing to you, please consider re-homing some ex-commercial laying hens from the British Hen Welfare Trust.

The British Hen Welfare Trust (BHWT) is a national charity which finds pet homes for hens (from mainly caged systems) when they reach the end of their commercial laying careers at 72 weeks of age. These hardworking hens, affectionately known as ex-bats, would otherwise be destined for slaughter, despite having several years of their natural lives left. The BHWT has a network of local teams of volunteers, including Liskeard in Cornwall and South Molton and South Zeal in Devon, who hold re-homing days at the weekend every 6-8 weeks throughout the year. Since 2005, the Devon and Cornwall teams alone have managed to re-home 82,000 hens, saving them from slaughter. Ex-bat hens make fabulous pets and wonderful additions to your family. They will amaze you

with their distinct personalities and their amusing antics. As they have spent so much of their lives confined without access to solid ground and natural sunlight, it is as if they are making up for lost time when they are given new homes; their determination to cram every minute of the day with activity and purpose is astounding. Ex-bat hens will stay out in rain and snow and will push the boundaries of bedtime if they feel there is still fun to be had! These delightful ladies will soon occupy a special place in your heart and you will never want to be without them. Watching a newly re-homed hen flourish and transform from a timid, often tatty, little creature to becoming confident, fully-feathered and full of character is a real life-changing experience and one many re-homers want to be a part of again and again – this is one of the main reasons the BHWT has so many second, third (and often many more) time re-homers. Most ex-bat hens will continue to lay delicious free range eggs for you to enjoy and share with your families and friends – a lovely added bonus from your new companions. Hen-keeping is most definitely on the rise; hens are now the UK's sixth most popular pet with many people discovering the benefits of keeping their own hens in their back gardens. Ex-bats, because of their docile and resilient natures, are particularly well-suited to living closely alongside families (and even other pets) and will enjoy your company just as much as you will enjoy theirs. If you would like to re-home some hens, or any more information, please visit the BHWT's website ([www.bhwt.org.uk](http://www.bhwt.org.uk)) or call Hen Central (01884 860084) where a friendly and knowledgeable member of the team will be happy to help you.

### **CHARITY TEA - Bank Holiday Monday**

The Charity Tea on August Bank Holiday Monday proved to be a great success – and even the rain held off! All the proceeds were going to Breast Cancer Care, and the efforts of everyone resulted in a grand total of £510 (any more to come?). Our thanks go to the “Ladies of Ringmore” who organized the event, to the stallholders, cake makers and those serving refreshments (not forgetting Sylvia who did the washing-up!). Special thanks to those to put up and later dismantled the marquee, and to Dudley for the use of his field for car parking. Lastly, and crucially, thank you to everyone who attended, both holidaymakers and villagers, and to those who sent donations, for their support for this worthy cause.

National  
Trust

Lorna is very busy preparing for the 'Big Night on the Beach' so I am re-running last month's article as most of the content is relevant to September

With all the warm dry weather we have had it has been great to get out and enjoy the coast and beaches. Unfortunately with this we have seen some antisocial behaviour occurring on our sites with unauthorised camping, fires using wood broken away from fences or nearby trees and on a recent occasion where lots of beer bottles smashed up on Wembury beach. If you do see anyone having a fire on NT land please do let us know as a fire can quickly get out of hand and spread in these very dry conditions.

We are still in need of volunteers to help out at the South West Outdoor Festival on the 5-7 October. By volunteering for 2 shifts (each shift is 4 hours) over the festival period you would qualify for a free ticket, for more information look on the website: [www.nationaltrust.org.uk/SWOF](http://www.nationaltrust.org.uk/SWOF) and follow @NTSWOF on Facebook and Twitter for updates too.

Check out our other events coming soon (for further information go to [www.nationaltrust.org.uk/events](http://www.nationaltrust.org.uk/events)):

Throughout the summer holiday we will have pop up events happening at Wembury beach and South Milton Sands when the weather is nice and we have volunteers available to help us. These pop ups will be for a few hours and have 50 things activities to undertake. We will post these on Facebook the day before so please do follow us to keep updated.

**15<sup>th</sup> September, 4pm – 9.30pm – Big Night on the beach – South Milton Sands.** This family favorite is back again, celebrating the end of summer with family activities and the spectacular sundown parade. You'll also have the chance to try out watersports, rockpooling, crafts, and beach games, with storytelling, bird watching and more too. In partnership with the South Devon Area of Outstanding Natural Beauty, this event is not to be missed. Wear clothing that is suitable for the weather, taking into consideration that the beach may get cooler after dark. The event is free to attend, but small charges apply for some of the taster sessions

**16<sup>th</sup> September, 2.30pm – 4.30pm – MSC beach clean – Wembury beach.** Come and help the National Trust Rangers and Devon Wildlife Trust Marine centre Wardens clean Wembury beach as part of the Marine Conservation Society Great British beach clean. Be part of this national event and do your bit for protecting the beautiful beaches and marine life. Please bring a pair of gardening gloves, shoes suitable for getting wet and clothing appropriate for the weather. The event is free but please register on the Marine conservation society beach clean website ( <https://www.mcsuk.org/beachwatch> ) so we know how many will be turning up.

For information regarding the work of the South Devon National Trust team please call Lorna Sherriff on 01548 562344 or email [lorna.sherriff@nationaltrust.org.uk](mailto:lorna.sherriff@nationaltrust.org.uk)

#### Farewell to Dane & Hilary Vanstone

I am sure that everyone in Ringmore Parish has a very good reason to thank Dane and Hilary for the business they have run so successfully over the past 20 odd years. Their commitment to the community has been significant, both in the goods and services they provide in the shop but also in the support they have provided to societies and good causes within the community.

One personal example I have thoroughly appreciated has been the Christmas food taster morning and I am full of admiration for Dane's approach to selling Christmas spirits at this event!

Fortunately they will be staying in the area and I'm sure will wish to participate in many of the activities and events they hitherto have been too busy to join in. David

### Night landing site.

I am pleased to advise the sites are now live and fully operational should there be any need.

### Damage- witness appeal.

Between 1100hrs and 1500hrs on Tuesday 7<sup>th</sup> August damage was caused to a black Peugeot 407 index number WP10 TMU.

This vehicle had been parked unattended in the car park for the Journeys End PH in Ringmore.

Considerable damage has been caused which it is estimated will cost around a £1000 to repair.

It may be totally unconnected but at around 1100hrs there was considerable congestion in the road brought about by way of a lorry carrying a blue container. This Manchester lorry was delivering in the village and clearly had great difficulty negotiating the bends particularly outside of Cross Manor. Indeed the only way the driver could get around was to jump out of his cab and request the

stream of vehicles that had collected behind him reverse. It maybe that one such vehicle perhaps a lorry or van then reversed into the car park causing the damage? The details of the offending vehicle have not been supplied to the unfortunate owner of the Peugeot.

Did you witness this incident? Were you perhaps stuck within the congestion? Better still any dash-cam footage? If you have any knowledge at all please advise.

### Prowlers?

Kingsbridge Police have been made aware of some reports of prowlers in the Aveton Gifford area.

If you witness anybody acting suspiciously then please call 101, or 999 in an emergency.

If you live in Aveton Gifford and have any information that you would like to pass to slow time, then please email your local Neighbourhood Officer, PC Ryan Hayhurst on [16486@dc.police.uk](mailto:16486@dc.police.uk)

### Volunteer.

**I would advise that I am now standing down from this volunteer position** and the police have been advised accordingly. In the event that someone else wishes to take on this role please contact me and I will give them every assistance and point them in the right direction.

Stay safe. Steve
