Welcome to the Dolphin Inn. We serve a selection of home cooked meals using local produce, have Cask Marque accredited real ales and offer bed and breakfast accommodation in a traditional building opposite the pub.

This is a great village pub with a warm welcome to all.

From the Editor.....

Welcome to the September 2019 issue of the newsletter.

The weather for our Village Fayre on Bank Holiday Monday was excellent and set the scene for a most successful event, held for the first time on Ian Morgans' field at the top of the village. We are very grateful to him for allowing us to use the field and with more than 300 people on site we certainly needed that big space.

A huge thank you to all who attended and joined in the fun and all of the organisers, stand holders, raffle ticket sellers, games hosters and so on!

Ron Williams tells me that we raised just over £2,500 on the day; a brilliant result. Most of that money will go to the church building fund and will help us to maintain All Hallows for us and future generations. Thanks are due to many of you who spent money on the day.

And many people have attended All Hallows during this summer. Following on from Danni and Oli in

July, we had the wedding of Bobbi Hammond and Mel Parker on 17th August. Once again the church was full for this event and it is lovely to see the wedding party outside the church in the photo on page 10.

Sadly, early in August Jane Stevenson passed away and the church was once more filled with family and friends for a thanksgiving service in her name on 29th August. The service began with two pieces of music; one for violin and one for saxophone played beautifully by members of the family ~ Sarah and Evie Maya.

So if you doubt the necessity of all the money raising activities to keep the church in good condition, the services over this summer demonstrate that this building is such an integral part of the village and village life that we must never allow it to fall into decay.

REMEMBERING TO SAY 'THANK YOU'

Joyce Howitt

'Thank you' is one of the first words that we learn to say as children, and possibly one of the first words we forget to say as Christians. Often our prayers are littered with the word 'please', but sparse on the words 'thank you' as we ask God for this, that, and the next thing. But when he answers our requests, how often do we remember to say 'thank you'?

There is a story about the vicar of a small seacoast town, who at the end of each year, used to write a report in the parish magazine of what had happened during the year. One year his parishioners noticed an unusual entry, for among the facts and figures about the church membership, there was an entry which said, 'nine missing at sea'. They were puzzled about this, because they couldn't remember even one person, let alone nine, being lost at sea, so someone asked the vicar what this meant. He replied that during the year eleven people had asked for prayers for family members who were going to sea to be included in the intercessions. And he said that since only two of these people had later expressed thanks to God for the safe return of their loved ones, he was assuming that the other nine were still missing at sea. He said that few of us would dream of not saying 'thank you' to someone for a kindness they had done, so why should it be any different when it comes to God?

The hymn 'Now thank we all our God', was written during the 30 Years War when its author, Martin Rinkhart, was conducting as many as 40 funerals a day for the victims of the war and the plague. And in spite of his own personal sorrow in losing his wife, he had still been able to give thanks to God for all the wonders of life. Just as Henry Francis Lyte, the author of the hymn 'Abide with Me' had written his hymn 'Praise my Soul the King of Heaven' even although he had been suffering with ill health for much of his life.

There are many different ways of saying 'Thank You' to God, ranging from prayer, to worship and to loving and caring for others – thanking Him for his countless blessings and for listening to us when we pray to Him for ourselves and for others.

All Hallows Church, Ringmore

Summer Fayre

A very successful summer fayre on Bank Holiday Monday raised more than £2,500, most of which will support maintenance of All Hallows. This is a great result and testament to the very hard work of the committee and all the volunteers.

Church repair and maintenance

The application for approval of our plans for the new heating system has been approved in principle. We are now in a period of consultation and there is a notice about this in the porch and on the church noticeboard. As things stand at present I believe we should be able to have work started by the end of October.

Services in August

During August we enjoyed a visit from Kezia McClelland who told us about all the work she has been doing around the world in support of homeless children and those in desperate poverty. Her work has taken her to countries riven by conflict and oppression and she is to be congratulated and admired for her devotion to this work.

Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. These will be Mary Wilson 830280, Gill Tomlin 810028, Sally Errett 810547, Yvonne Turpin 810798, Alison Wynne-Powell 810407, Sally Ness 810639, Drina Williams 810405. Rosemary Wilson 810211 & Jenny Williams 810851.

Kingsbridge Foodbank

Your support for the Foodbank has been considerable – well done and hopefully we can continue this good work for the rest of the year. The FOODBANK is here to help people in crisis in and around Kingsbridge. A container is placed in the Church Porch for items to be placed in which will be taken to the Foodbank every Thursday morning. They are currently welcoming donation of many types of non-perishable items (except Baked Beans and Tea), toiletries such as Toothpaste, brushes and toilet rolls and all types of household cleaning materials. There is a more detailed list of items on the collection box in the Church porch. Please note, however, that the foodbank is unable to accept home-produced goods.

Many thanks for your help for our neighbours in need

David Vincent and Jenny Williams, Churchwardens

Oli + Danni would like to thank everyone for all the love, kindness and help in making our wedding day so truly special. Our families and friends were overwhelmed with the welcome they received and fully appreciate what makes Ringmore such a special place!

MICHAEL JARVIS HAS CONTACTED ME ABOUT THE KINGSTON FIRE STATION OPEN DAY

Kingston Fire Crew are marking the 70th Anniversary of their foundation this year and to commemorate the event are holding a drop in Open Day on Saturday 14th September from 1-00 to 5-00pm at the Fire Station to which you are all warmly invited. We were formed not just for Kingston but to provide a quick and efficient response to emergencies for all of our local Communities. We are unique within the Devon & Somerset Fire and Rescue Service as the only fully trained volunteer crew. Over the years we have attended many hundreds of incidents of differing types and severities, every single one has meant us putting people first and protecting that which we all hold dear. So please come along and find out about who we are and what we do, look at the photos, talk to the crew past and present and listen to the stories!

Whilst the Ringmore newsletter keeps you up to date with what is happening in the parish, there are a lot of events in the surrounding parishes which some of you may not be aware of. **Bigbury Drums** is an email notification published by the Bigbury News team every 7 - 10 days. It comprises a stream of posters promoting local events in Bigbury, Modbury, Kingston, Ringmore, Aveton Gifford and Malborough.

If you want to be kept informed about what's going on in our local area then do send an email to bigburydrums@gmail.com and you will be added to the circulation list. This is, of course, absolutely free!

Shoebox Appeal

Please may I ask, once more for your support for this appeal? By filling a shoebox with gifts you can give such joy to a child living in difficult circumstances. In some instances these are the first presents they have ever received.

The boxes will be despatched in November, so now is a good time to start collecting items to fill them, but please only new or nearly new suitable items. A list of suggestions and some knitting patterns will be on the notice board in the Church porch for you to take.

Please note; Due to import restrictions, sweets and toothpaste can no longer be included in the boxes

Many thanks for your support

Crisp and snack bags urgently needed. Any brand - any size, including the outer bags of multipacks

I have found a company which recycles these difficult products, but they need to be sent in 5kg boxes. That's a lot of packets!

Would you please save all your packets and drop them to me when you are passing or give me a ring and I will collect them for you.

Thank you so much.

tearfund

It's good to report that the Tearfund lunches are back over the autumn and winter. They are held each month usually on the first Monday and start this year on October 7th. Other dates this year are 4th November and 2nd December. Lunches comprise homemade soup and a roll followed by a delicious hot dessert. All funds go to the Tearfund charity for their work in fighting poverty throughout the world. Lunches are held in the WI hall from 12.00pm to 2.00pm.

Letters to the Editor - write to ringmorenews@gmail.com .

Following the death of my dear wife Jane on 3rd August I have been overwhelmed by countless kind words and messages of condolence. Many thanks to all for your staunch support.

James Stevenson.

Dear Editor

John Bracey was a founder member and president of The Building Forum of Devon and Cornwall, a mentor to many of the Committee and much respected in the building industry. When he died the Committee decided to give a seat to remember him by.

After initial siting problems Tracey and Conor kindly agreed to have the seat in the garden of The Journey's End where John spent many happy hours and it was finally unveiled on Tuesday August 13th.

The seat is a brilliant memorial to John's unique character with a design by his son Pete which cleverly incorporates references to the rocks at Ayrmer Cove, a Fibbonacci helix and a sneaky pair of shorts carved in Portland stone, and iroko timber slats with jarrah wood inserts, all reflecting John's love of the area, his interest in good craftsmanship woodwork and detailing, his use of mathematics in designing his house and garden, and his eccentric clohing.

The seat is beautifully crafted by Yogi King and a local sculptress. Thank you to The Building Forum for their gift which I am sure will be well used and a reminder of one of Ringmore's characters.

I didn't know that the seat was to be unveiled until the day before so apologise to anyone who would have liked to be present.

Ann Bracey

Members of the Public 6; 3 requests to speak

Meeting to consider

366/19/PIP Seagull Fields Land at SX 654 459

Objections to the application were raised by 3 members of the community.

Mr Michael Hammond

No infrastructure to support the build

No employment locally.

Resulting light pollution from the build.

Is there a genuine need for self-build and is this type of development?

****Is this type of development covered in the Neighbourhood Development Plan currently being written?**

****Councillor Baker stated that no comment could be made on this as it may compromise the current work of the Neighbourhood Plan Steering Group**

Mrs Ann Bracey

Development on this site is inappropriate as it is visible from the AONB

No infrastructure to support the build

3 dwellings opens up the site for further development

Draft Minutes

Mr Carson gave a brief history of his early life in Ringmore and his ties with local families and the plan that the three proposed dwellings were for local people including family members.

Councillor Reynolds stated that the houses on the plan had been well positioned to ensure they did not overlook nearby properties. He expressed serious concerns regarding the status of land outlined in blue on the map (0938-BSP)

Mr Carson stated he was not looking to develop this land at the moment

Councillor Reynolds also raised concerns regarding some of the statements made in the in the Design and Access Statement, Visual Impact Statement, & Transport Statement his view that some of the statements were 'disingenuous at best and other were totally incorrect such as the statement regarding the safety of the proposed footpath opening on to the main thoroughfare from Cockle lane. He reiterated the Council's concerns regarding the future of the additional land

Councillor Baker identified an issue regarding the access point on to the main thoroughfare and explained in detail how it would not be possible to make this access point safe for road users. He also stated that a new road would need to adhere to the current highway policies and would therefore include street lighting. Councillor Baker also requested information regarding the status of the Mr Carson's various companies.

Mr Carson confirmed that the PIP land designated by the red line on the application map 0938-BSP is registered to TEC Group Holdings Ltd.

Draft Minutes

Mr Carson stated he would get clarification on the points raised and would himself object to any proposal for street lighting

Councillor Campbell stated that he had compared the 2017 planning refusal document to the current planning proposal. He noted that the current application does not fully address the issues raised in the refusal e.g. Protection of the AOND, the Cirl Bunting Conservation zone, additional light pollution associated with the proposed access road and transport policies indicating the need for street lighting and the intrinsically unsafe nature of the access/ egress point. He also raised concerns that the access statement underestimated the amount and type of traffic using the main thoroughfare and that the additional housing would increase the congestion currently experienced on this road. Also the supporting documentation appears to be full of erroneous statements at best mistakes and at worse disingenuous. This damages the credibility of the proposal.

Mr Carson explained that PIP did not require details such as those outlined above and that these would be addressed in the technical details application as the planning proposal moves through the process.

Councillor Vincent stated that the design was very positive and welcomed the opportunity to have new families in the community.

Councillor King stated that that he was not unhappy with the design or the proposal but was concerned about the potential for them becoming holiday homes. He asked Mr Carson if it was possible to put a Devon Resident clause in so that any ongoing sale would only be possible to buyers who had live in Devon for the past 2 years.

He also reiterated the concern regarding the future of land outlined in blue and whether this should be maintained as a green space in some form or other.

Councillor Reynolds/Councillor Campbell proposed a compromise that it would be possible to pass the proposed PIP if certain aspects could be addressed.

The future of the land outlined in blue, consideration for designating it green space/ village amenity/wild area conservation area

Work with the Councillors and the local community regarding some of the design aspects e.g. Ridge height of roof. Continuing protection of Dark Skies access from main thoroughfare into the development

Councillor Reynolds also reiterated the need for the design and access and other statements attached to the PIP to be review for accuracy.

Outcome

It was agreed that Ringmore Parish Council would withhold their refusal/objection to the application until Friday 16th August 2019 to allow Mr Carson to consider whether withdrawal of the current PIP would be appropriate at this time in favour of closer working with the Council and the local community to present acceptable solutions to the significant concerns raised.
