

Village Meeting : Ringmore Fair

7pm, 14th October

Ringmore WI Rooms

Building on the success of the last few years, we'd like to hear what the village would like to see for **2027**.

Come along and share your thoughts, ideas and suggestions:

- Would the village like to have an event?
- What should its aim be?
- When should it take place, and how long should it last?
- What type of event would you like to see?

For example: a dinner, dance, traditional fete, silent disco, or something completely different!

Please come along with your ideas and help us shape the future of Ringmore Fair.

Everyone is welcome — we'd love to hear your views.
